Many years ago I was misled to believe that I had to join a religious group and house of worship in order to serve God. Over the years I learned that this is not so. I learned that a person can get to **perfectly** know, serve, love and obey, and have perfect faith in the true and Great God - the Great Yehovah Elohim, and in his Government-Kingdom, Holy Laws, Holy Word, Holy Spirit, Mighty Power, and Perfect Will - **without** ever joining any type of religious group, or house of worship. Secondly, a person can walk in the mighty power, authority, dominion, success and victory of the Great God at all times - without ever having joined, and without ever being a member of any type of religious group or house of worship. Also, I learned that it is **“NOT”** to the Perfect Will of the Great Yehovah Elohim for anyone to ever join, nor to be a member of any type of false religious group, nor false religious community, nor false house of worship - at any time, nor for any reason whatsoever. It is very important for everyone to perfectly know and understand that the true and Great God promises deceptions, curses, destruction, and death to all those who follow after idols, false gods, false religious beliefs, astrology, paganism and witchcraft beliefs and practices, which include all false religious groups, and all false houses of worship.

It must be known that **“all of the major religions”** on this Earth are rooted in the beliefs of false gods, false religious beliefs, false prophets, astrology, paganism, and witchcraft beliefs and practices. For all those who are seeking to convert, and be joined unto the true God, and who want to truly love, serve, obey, and have perfect faith in the true and Great God - the Great Yehovah Elohim, they must totally **“AVOID”** all forms of evil, including **“AVOID”** joining with religious individuals, and with religious groups, and with religious establishments, and with religious communities, and with any house of worship - that goes against the Great Yehovah Elohim, and that goes against his Holy Laws of Commandments, Holy Word, Holy Covenant, and Perfect Will.

Conversion and Joining to the True and Great Yehovah Elohim, and Unto His Holy Covenant and Commandments

It is now time for men, women and children, to come to the knowledge and acceptance of the true and Great God - the Great Yehovah Elohim. I fully encourage everyone to read, know and understand the importance of making, and of always having

the Holy Covenant of Marriage with the Great Yehovah Elohim. On my website, www.Yashfeh-BooksandArticles.com, I have listed various articles. My article, **Article #5**, entitled: “*Knowing, Accepting, and Even Renewing, the Holy, Everlasting Covenant of Marriage - with and unto the the True God of the Universe - the Great Yehovah Elohim,*” outlines the importance of turning to, and accepting the Great Yehovah Elohim, and of the importance of making and always having the Holy Covenant of Marriage with the Great Yehovah Elohim. At the end of my articles section, I have listed Prayers for making of Vows of the Covenant of Marriage with the Great Yehovah, which is entitled: “*My Vows of Holy, Everlasting Covenant of Marriage - with and unto the Great Yehovah, My Great Elohim.*” I fully encourage the reader to read these materials.

The Importance of Daily Prayers unto the Great Yehovah Elohim, and Prayers Throughout the Day and Night

It is very important for everyone who want to always love, serve, and obey, and also always have perfect faith in the true and Great Yehovah Elohim, and who want to always have a “**very close relationship**” with the Great Yehovah Elohim, **to commit oneself** to always having, and in always being blessed thereby, of blessed, daily **Prayers** unto the Great Yehovah Elohim - every night and day. Make a commitment thereof, and always have thereof, of perfect discipline in rising up very early each morning. Try to go to bed **early** each night, and do get a restful night sleep, and rise up **very early** in the mornings, and spend at least “**One Hour**” of precious time in Prayers, and of singing of Songs of Praises unto the Great Yehovah Elohim - **Each Morning, and also have some reading of the Holy Scriptures**. To spend “**a full hour**” in morning Prayers, and in singing of Songs of Praises unto the Great Yehovah Elohim very early in the mornings are of a great blessings to one’s spirit, and of great blessings in every area of one life here on this Earth. The spiritual blessings and upliftment of daily morning Prayers will last throughout the day and evening. Prayers and singing of songs of Praises can be done “**quietly**” (if you are concerning about disturbing others) in the mornings, and in the evenings. Throughout history, many men and women have realized the great blessings and goodness in spending precious time with the Great Yehovah, and also realized the great blessings and goodness of rising up very early in the mornings. It is tuning in with nature. Moses, Joshua, and the Israelites rose up very early in the morning for Prayers and communications with the Great Yehovah Elohim. Getting up early in morning for daily Prayers, and for Singing of Praises (quietly) unto the Great Yehovah Elohim will be of great spiritual blessings for the person throughout the day, and will strengthen their relationship with the Great Yehovah Elohim. A person must be willing to spend time with the Great Yehovah in daily Prayers, and of singing of songs of Praises unto him, and also in studying and meditating in his Holy Laws and Holy Word, in order to spiritually connect with the Great Yehovah Elohim (and to remain so), and also in order to gain, and to always have, exercise and maintain perfect spiritual development in and with the Great Yehovah Elohim. Additionally - Evening Prayers - A person should always have daily **Prayers** unto the Great Yehovah in the “**evenings,**” and of Singing songs of Praises (quietly) unto the Great Yehovah - in the **Evenings, and also have some reading of the Holy Scriptures**. These

things are truly of great spiritual blessings and of uplifting of one's spirit unto the Great Yehovah in the evening, and throughout the night. Open up the Holy Scriptures of the Old Testament and see, know and understand that the Great Yehovah Elohim the priests in the Holy Tabernacle of Worship to have religious services unto him - **twice daily, of evenings and mornings worship**. Sacrifices and the burning of incense took place **twice a day** - in the evening and in the morning, and were symbolic of Prayers being offered unto the Great Yehovah Elohim twice a day. (Read: Exodus 30:7-8; Psalm 92:1-2) Also, there were Prayers offered up **three times a day** (Read: Psalm 55:16-17; Daniel 6:10). **Daily Prayers, and Prayers and Supplications, and also spending precious time in reading, studying and meditating into the Holy Scriptures**, are powerful, and these things bring true wisdom, knowledge, understanding, leading, strength, help, blessings and prosperity to an individual in every area of life. Secondly, these things help a person to always have, exercise and maintain of highly perfect **Love, Obedience and Faith** in, and for, and unto the Great Yehovah Elohim, and in and for his Holy Government-Kingdom, Holy Laws, Holy Covenant, Holy Word, Holy Spirit and Mighty Power, as well as help a person to always have, exercise and maintain of great and perfect peace, perfect joy, rejoicing, happiness, gladness, full enjoyment of life, praises, thanksgivings and gladness for and unto the Great Yehovah Elohim in every area of one's life, and in the fullness thereof, and at all times throughout eternity.

Perfect spiritual development and growing in the perfect love, obedience, and faith in the Great Yehovah Elohim - **take time**. In order to seek to have and to always perfectly know, maintain and exercise of great and perfect love, obedience and faith in the Great Yehovah Elohim, and in his Holy Laws, Holy Word, Holy Covenant, and Perfect Will, a person has to be committed unto the Great Yehovah Elohim, and must spend time with the Great Yehovah, including in daily Prayers, Singing of Songs of Praises, and in **daily** studying, learning and perfectly knowing and understanding of his Holy Laws, Holy Word, and Perfect Will, including of his Perfect Will for one's life here on this Earth. In order to **"always know how to"** have and exercise great love, obedience and faith in the Great Yehovah Elohim, and in his Holy Laws, Holy Word, Holy Covenant, and Perfect Will, and in order to always know how to **"allow"** the Great Yehovah Elohim to guide your life, and in that you do not try to make things happen, a person must obtain **"perfect spiritual development,"** and must obtain and always have **"perfect spiritual growth of love, obedience and faith"** in and for the Great Yehovah Elohim, and in his Holy Laws, Holy Covenant, Holy Word, Holy Spirit, Mighty Power, and Perfect Will. By spending precious time in daily Prayers unto the Great Yehovah Elohim, and in studying and learning the Holy Laws, Holy Covenant, Holy Word, and Perfect Will of the Great Yehovah, the person will grow stronger each day. Learning how to **"correctly"** have love, obedience and faith in the Great Yehovah Elohim is so very important, and in that a person must always seek the Great Yehovah Elohim for his perfect guidance for every area and situation of their life here on this Earth. You do not know everything! Therefore, seek the Great Yehovah concerning every area and situation of life. Men and women, and even children, should get to perfectly know the Great Yehovah on a personal, individual basis. Once a person starts to connect with the Great Yehovah Elohim the person can and will have the **"perfect directions"** of the Great Yehovah for every area of their life from now and throughout eternity. The Great Yehovah Elohim **does answer** the Prayers of his children that **seek him**.

Secondly, learning how to have, exercise and maintain of patience, discipline, perseverance, stability, courage, joy, happiness, and full enjoyment of life, as well as knowing how important it is to seek learning, excellent education, training, and good skills and abilities, are to the Perfect Will of the Great Yehovah Elohim for all of his holy saints. Obtaining these important life tools take time, and these things are developed within a person each day and night on a continually basis. Also, it is very important for men, women and children to learn how to always have, exercise and maintain of the Great Yehovah's love, joy, rejoicing, gladness, happiness and full enjoyment of life - within themselves, and for these things to be so each and every night and day of one's life from now and throughout eternity.

The Presence of the Great Yehovah Elohim - Men, women and children must become fully aware thereof, and must always appreciate the good **"Presence"** of the Great Yehovah Elohim, and of what he does for each of us - each and every night and day of one's life. Therefore, **do NOT** ever complain, nor murmur against the Great Yehovah Elohim at any time; rather, ask for strength and endurance, and ask the Great Yehovah to help you in your spiritual development, and of you always having, exercising and maintaining of perfect love, obedience and faith in him, and in his Holy Laws, Holy Covenant, and Holy Word, and in seeking to know and do his Perfect Will each day, and also to help you to always have, exercise and maintain of his great **"JOY,"** rejoicing, gladness, happiness and full enjoyment of life within you - each and every night and day of one's life - **starting the very moment** that you make the Everlasting, Holy Covenant with the Great Yehovah Elohim. **Trials of faith?** Seek the Great Yehovah Elohim and humble yourself before him, and ask him for his strength and guidance for you at all times, and to help you to always be highly successful and victorious over whatever trail that may be in your life. Learn to, and always **"fully appreciate"** all of the good, daily things that the Great Yehovah Elohim does for you, regardless how small. By doing so, you will definitely inherit greater and bigger things by the Mighty Hands of the Great Yehovah Elohim for you and your household. Even in mortal beings relationships with parents, children, friends, neighbors, co-workers, etc. when a person fully appreciate something that another person does for him or her, the giver of the good deed usually will want to do more for the person. Therefore, remember this, and always fully appreciate the great goodness that the Great Yehovah does for you each night and day, and also always fully appreciate what good things another person does for you. These things develop good relationships on a spiritual level, as well as on a natural level.

By spending time in daily Prayers with the Great Yehovah Elohim, as well as by spending time in studying and meditating in the Holy Scriptures, the Great Yehovah will start to reveal and open up the person's understanding of many things in life, including concerning one's personal life. Additionally, men, women and children must **learn the importance of seeking** the Great Yehovah for every area of their life, including concerning education, training, careers/jobs, where to live, and where to go, and what to do, etc. **Important:** Try **"NOT"** to make **"rash decisions;"** rather, always seek the Great Yehovah Elohim for his perfect leading in every area of life. Everyone must fully realize that he/she **does NOT** know everything about life here on this Earth, nor know everything about situations, businesses, and social and family relationships, nor know everything about the Great Yehovah's perfect direction and path for their life here on this Earth, nor know everything about public, national and global affairs; nor know about **"future events"** of many things. In the Holy Scriptures, it is shown how that so many of the holy saints of the

Great Yehovah spent precious time with him, and by spending time with the Great Yehovah Elohim, they were warned concerning events of the present, and of the future. Secondly, because they spent time with the Great Yehovah Elohim, he revealed many things to them, and in that they were able to make the proper decisions, and were able to take the proper actions, and even were able to move to another location; and thereby they were able to avoid the evil events, and also they were able to avoid the suffering and sorrow.

A person does not know the right path for him/her - unless the person commit their life unto the Great Yehovah Elohim, and start to communicate with the Great Yehovah each night and day. Secondly, a person must seek the Great Yehovah Elohim for his help in asking the Great Yehovah Elohim for his Perfect Will for their own personal life here on this Earth. Secondly, there may be times when a person may not know what to ask for in their special Prayer Requests unto the Great Yehovah Elohim; therefore, a person should ask the Great Yehovah to guide and help them **“to ask and seek of him”** to help him/her to pray the right Prayers, and for the perfect directions in every area and situation of life, and for when to accept an opportunity, and also when to reject an opportunity. In the past, all too often men and women failed in life, and failed to accomplish great things in life because of not knowing how to ask and pray for the right Prayers for different things, and for different situations, and because of not knowing of great opportunities and great blessings that the Great Yehovah has for the person. Additionally, in the past, all too often men and women failed to live to the fullest extent of their skills and abilities because of the lack of knowledge of many things, and because of not seeking the Great Yehovah Elohim for his perfect leading, including concerning education, training, and getting of skills and abilities, and of not realizing of good business opportunities, and of other good opportunities in every area of life here on this Earth, and even concerning where to live, etc. Therefore, always diligently seek the Great Yehovah for his perfect directions for you for every area of your life, and at all times.

In order to be highly successful in every area of life, a person needs the blessings, perfect leading, goodness and strength of the Great Yehovah Elohim for him/her in life, and the person needs learning, skills, abilities, education, training, discipline, perseverance, business skills, finances and budgeting of money skills, etc. Additionally, in order to be highly successful in every area of life, a person needs to know the Great Yehovah Elohim's Perfect Will for one's life here on this Earth. There are many paths to opportunities, yet what are the Great Yehovah Elohim's perfect paths of opportunities - for you? You must spend time with and communicate with the Great Yehovah in order to perfectly know things in every area of life! Therefore, **GET UP - very early in the mornings**, and do indeed spend precious time in daily Prayers unto the Great Yehovah Elohim **in the mornings**, and also spend precious time in daily Prayers unto the Great Yehovah Elohim **in the evenings**, and be **“highly blessed, and be highly successful in every area of your life”** for doing so.

The Importance of Studying, and Examining, and of Perfectly Knowing and Understanding the Holy Covenant, Laws and Word of the Great Yehovah

It is very important for everyone who want to always love, serve, obey, and have faith in the Great Yehovah Elohim, and who want to always obey and live under his Holy

Covenant, Holy Laws, and Holy Word, as well as to always know and obey the Great Yehovah's Perfect Will for one's life here on this Earth, to commit oneself to diligent studying, learning, and knowing the **TRUTH** of the Great Yehovah's Holy Laws and Holy Word of the true, Holy Scriptures of the Old Testament - on an independent basis. To commit oneself to studying, learning and knowing the Holy Laws and Holy Word of the Great Yehovah for at least "one hour" (or more) per day will be of great, spiritual blessings and goodness to a person. It is of utmost importance to get to know the Truth of the Holy Laws, Holy Word, and Bible Prophecies of the Old Testament - on an independent basis. The lack of knowledge, and even the rejection of knowledge, of the Holy Laws and Holy Word of the Great Yehovah have been the major causes of the failure of millions of religious men and women who have sought to love, serve, obey, and have faith in the Great Yehovah Elohim.

When men and women can obtain a perfect wisdom, knowledge, and understanding of the Holy Laws and Holy Word of the Great Yehovah Elohim, as well as obtain a perfect knowledge of the Perfect Will of the Great Yehovah Elohim for one's life here on this Earth, and when they commit themselves to always having, exercising and maintaining of perfect love, obedience and faith in the Great Yehovah Elohim, and in his Holy Laws, Holy Covenant, and Holy Word, and also to doing his Perfect Will for one's life here on this Earth - they will **not** be led astray, especially if they always maintain a diligent "close relationship" with the Great Yehovah Elohim at all times. When a person becomes connected to the Great Yehovah Elohim, and always maintains their spiritual connections at all times, this will provide stability to a person, and of their love, obedience and faith in the Great Yehovah Elohim. In examining the Holy Scriptures, there were those who strayed from the path of the Great Yehovah Elohim, and also there were many who held to perfect love, obedience and faith in the Great Yehovah Elohim, and in his Holy Laws, Holy Covenant, Holy Word, and Perfect Will - at all times. For example, Noah, Abraham, Isaac, Jacob, Joseph, Moses, and many of the holy prophets, and many of the holy saints of the Great Yehovah Elohim "NEVER" turned away from, nor forsook the Great Yehovah Elohim in spite of trials of faith, and of times of testing. Even in mortal beings relationships if a person spend a lot of time with their family and loved ones, their relationships are more stronger.

Additionally, in order to be able to "AVOID" all forms of evil, and to avoid evil persons, and also evil situations, a person must have the perfect wisdom, knowledge and understanding of the Holy Laws, Holy Word, and Perfect Will of the Great Yehovah Elohim at all times, and must always have the Holy Spirit of the Great Yehovah with them at all times. Throughout history, multi-millions of "religious" men, women and children were misled, deceived, robbed, degraded, enslaved and exploited by false religious leaders, and by false prophets, and by evil, religious men and women; and so many were destroyed - all because of the lack of knowledge concerning the "TRUTH" of the Great Yehovah Elohim, and of his Holy Laws, Holy Word and Perfect Will, and also because of a lack of knowledge concerning many situations, including political and global events.

Seeking Religious Guidance, and Religious Counselors, and for Directions?

When men and women commit their life unto the true and Great God - the Great Yehovah Elohim, they are to always seek him for his perfect understanding of his Holy Laws of Commandments, and of his Holy Word and Holy Covenant, and also of his Perfect Will for every area of their life here on this Earth. Men and women must fully recognize and understand that absolutely **no other person** on this Earth can connect them with the Great Yehovah Elohim, and in that only the Great Yehovah Elohim can give to each person of his perfect leading for every area of their life here on this Earth; therefore, you must spend precious times with the Great Yehovah, and in daily Prayers, and in studying of his Holy Laws and Holy Word, and in that each person must seek the Great Yehovah for his Perfect Will for every area of their life here on this Earth. Secondly, men and women must fully recognize that absolutely no other person can truly take care of them **“financially”** - other than the Great Yehovah Elohim. How many millions of men and women have been devastated financially within the past few years, and in that they believed that their careers/jobs, investments, and the governments, and others would be there for them forever? Truly, only the Great Yehovah Elohim knows where a person is to be, and want careers/jobs are for the person, and where the person is to go, and even where the person is to move to and live, and concerning every area of their personal life, including concerning marriage and children (and when), and also concerning friends and associates. Religious counselors, and man-made counselors, corporate careers/jobs, and financial advisors, etc. have misled hundreds of millions of people in the past, and in that so many have suffered emotionally, financially, and spiritually. It is now time, and for to do so from now and throughout eternity, for men and women to stop looking to another for guidance. It is now time, and from now and throughout eternity, for men and women to **ALWAYS** seek, and to always know, and to always perfectly understand the **“perfect leading”** of the Great Yehovah Elohim for one’s life here on this Earth - **in every area of their life**, including personal matters, careers/jobs, financial, business, social, where to live, marriage and children, etc.

Having Religious Services “At HOME” with One’s Immediate Family, Or Even as a Single Person within One’s Home

It very important for men and women, and their families, and also for single men and women, to know and understand that they can (and are to) have blessed, religious, worship services within their own home, and be fully blessed thereby, and also always be fully connected unto the Great Yehovah Elohim.

The Holy Shabbat Religious, Worship Services - Men and women, and their family members, and also single men and women, must realize that once they have made a commitment to the Great Yehovah Elohim, they should start to have **“religious, worship services at home.”** The holy saints of the Great Yehovah should always have religious, worship services every **Friday Night**, starting at sunset, with the **beginning of the Shabbat Evening**, and observe the entire Shabbat until Saturday Night at sunset. Friday evening services should consist of having Prayers, and of reading of the Holy Scriptures, and of having Shabbat evening dinner (if so desired), as well as of having some Songs of praises

and thanksgivings to the Great Yehovah. Secondly, the holy saints of the Great Yehovah Elohim should always have religious, worship services on **Shabbat Morning** with their household, consisting of Prayers, and singing songs of Praises unto the Great Yehovah Elohim, and also of diligently studying and meditating in the Holy Scriptures. Afterward, they can have their **Shabbat lunch**, and thereafter “rest” a little (if so desired). In the late afternoon of the Shabbat (maybe two hours or more before sunset), the entire family can get together for **Shabbat religious, worship services, consisting of Music, and of Songs and Praises unto the Great Yehovah Elohim**. The holy saints of the Great Yehovah can have and fully enjoy playing of different musical instruments, and sing of many songs of praises, thanksgivings, and of great joy unto the Great Yehovah. By doing so, these things will be of great blessings and of spiritual enlightenment to the person, and to the entire family, and even if a person is a single person. The holy saints of the Great Yehovah can even invite friends to join them in the afternoon for the Shabbat, religious, worship services of music, songs, praises and thanksgiving unto the Great Yehovah Elohim. Thirdly, families can inspire and encourage their children and teenagers, and even inspire themselves, to learn how to play different musical instruments, and also in learning how to sing. By everyone learning how to play various musical instruments, they will be able to play their various instruments “each Shabbat” - in playing music, and of singing of Songs of praises, joy, honor and thanksgivings unto the Great Yehovah Elohim. The Holy Shabbat should never be boring. Instead, get involved in connecting with the Great Yehovah Elohim, including learning songs of Praises, and start to enjoy the Shabbat services, including in singing of Praises and Hallelujah to the Great Yehovah Elohim.

The Holy Feast Days of the Great Yehovah Services - Men and women, and their family members, and also single men and women, can also fully enjoy the “**Three Holy Feasts**” of the year of Holy Convocations unto the Great Yehovah in their homes, and follow the same basic outline as for the Holy, Shabbat religious, worship services unto the Great Yehovah Elohim.

Having religious, worship services unto the Great Yehovah Elohim are precious times in connecting with, and in worshipping the Great Yehovah Elohim during each weekly Shabbat, and for the “**Three Holy Feasts**” of the year of Holy Convocations unto the Great Yehovah Elohim. Great spiritual blessings, strength, and spiritual value are obtained by doing these precious things.

Alone? Men, women and children, and single men and women, must always realize that they are **NEVER alone** once they have committed their life unto the Great Yehovah Elohim. The presence of the Great Yehovah Elohim is always with all those who commit their life unto him, and also the Holy Angels of the Great Yehovah Elohim are always with each of his holy saints - each and every night and day of their life. Once a person convert and join unto the Great Yehovah Elohim, and do their part to remain connected to the Great Yehovah Elohim, the **Great Yehovah Elohim will never leave the person**. Do indeed fully enjoy the weekly, Holy Shabbat Day, and the Holy Feast Days unto the Great Yehovah, and always fully allow the **Presence** of the Great Yehovah Elohim, and his Holy Angels, **to always** be with you wherever you may be here on this Earth. Instead of worrying about being alone, **commit your life** to diligent studying and to perfectly learning the Holy Laws and Holy Scriptures of the Old Testament, and also **commit your life** to diligent studying and perfectly learning, and getting important skills and abilities, and of improving

your education for jobs/careers (even self-education, and even for being self-employed). It is very important to ask the Great Yehovah Elohim to help you be **“highly educated of him”** in every area of life, and in that the Great Yehovah Elohim show you what to read, study, learn, etc., including concerning jobs/careers, and in getting the skills, abilities and tools that you need in order to be all that the Great Yehovah Elohim has for you to be, and for what he has for you to do, and for where he has for you to go, etc. Once you start to reach out to be all that the Great Yehovah Elohim has for you to be, it is amazing how that wisdom, knowledge, understanding, insights, and also opportunities will be opened to you. Your daily time, and how you spend your daily time each day, will become, and will always be, of great importance; and you will be **very busy** striving to be all that the Great Yehovah Elohim has for you to be, and to do - each and every night and day of your life. Secondly, the Great Yehovah Elohim will always help you to meet men and women that you can socialize with, and even become friends with.

Identity and Self-Worth as the Children of the King of the Universe - the Great Yehovah Elohim

It is very important for men and women, and their children, to always know the importance of **“identity and self-worth - as a child of the Great Yehovah Elohim,”** and to always have the true knowledge of the **TRUTH** of the Holy Laws of Commandments, Holy Word, and Perfect Will of the true and Great God of the Universe. Sadly to say, in the past many men and women **“unknowingly”** joined evil houses of worship, and evil, religious communities, because of having a **“desire to want to belong.”** It must be remember, and not ever forgotten, that Noah, Abraham, Isaac, and Jacob, and so many of the holy saints of the Great Yehovah Elohim did not go to, nor have established houses of worship. A person can get to perfectly know, understand, and obey the Holy Laws of Commandments, Holy Word, and Perfect Will of the true and Great God - by daily Prayers unto the Great Yehovah Elohim, and by diligent studying and learning, and by their communications with the Great Yehovah each and every night and day of their life from now and throughout eternity.

Biological Relatives, and Friends

Men and women of the Great Yehovah Elohim can still have loving relationships with their biological relatives, and friends as long as their biological relatives and friends do not try to go against one’s religious beliefs. **If biological relatives and friends are evil, and are of evil influence in any area or way, the person must depart.** Men and women can still call their biological relatives, and friends - from time to time. The Great Yehovah Elohim **never** told any of his children that they could not visit, nor to keep in contact with their biological relatives, and friends - once they turned to love, serve, obey and have faith in him. Secondly, the Great Yehovah Elohim never told anyone to hate and to depart from their biological relatives, and friends once they turned to him. Read the Holy Scriptures and see how that there were **“secular individuals in Canaan who wanted friendship”** with the Patriarch Abraham. Also see, know and understand how that Abraham had some type of contact with his biological relatives in Haran, yet Abraham maintained a perfect, close relationship with the Great Yehovah Elohim - at all times. Men and women of the Great

Yehovah Elohim may be able to “**inspire**” their biological relatives, and friends to turn to, and convert, and to be joined to the Great Yehovah Elohim; therefore, do not be hateful, nor be mean-spirited. Read the Holy Scriptures and understand that it is to the Perfect Will of the Great Yehovah for many people and nations to be joined unto him now in this present time. Men and women of the Great Yehovah Elohim are not to force their religious beliefs onto others, nor onto their biological relatives, yet they may be able to inspire others to convert, join and serve the Great Yehovah Elohim, and may be able to share the Great Yehovah Elohim’s Holy Word with their biological relatives, and friends. **Ask the Great Yehovah for his perfect leading** in dealing with biological relatives, friends, co-workers, neighbors, etc., and also in making new friends, especially with men and women who serve the Great Yehovah Elohim. Additionally, you may be able to show acts of kindness to others that may be of great blessings to you in months, or in years in the future, especially if men, women and children be inspired to convert, and turn to, and be joined to the Great Yehovah Elohim. Therefore, **do not segregate** yourself from your biological relatives, nor from your friends (if the individuals are not evil) once you turn to and accept the Great Yehovah Elohim; instead seek the Great Yehovah Elohim for his perfect guidance concerning these things.

In examining the lives of children, and of teenagers, and of men and women who became attracted to, and became addicted to illicit drugs (and other evil things) I noticed that it was usually that the person was being with friends, or at some party and dinner, and/or in being an evil environment. **No one** is your friend - if he or she offer you anything that is evil, and/or that could lead you to becoming addicted to any thing that is evil, or to doing any type of evil in any area or way. Therefore, stay away from individuals who are not of good character, and who are not of good influence - avoid all evil environments, and evil influence and situations. Get new friends, and live a blessed and peaceful life unto the Great Yehovah Elohim. Being alone? A person is never alone once they begin to spiritually connect with the Great Yehovah Elohim, even during weekends, and at all times of one’s life here on this Earth.

VERY IMPORTANT - It is very important for everyone to know and understand that men and women, and teenagers, and children of the Great Yehovah Elohim **should NEVER** go to wild and evil parties and gatherings; nor be in any type of “**unrighteous and evil**” setting or environment. If biological relatives, or friends, or neighbors, or whoever, are doing evil, and if they offer evil things to you, and/or are of evil influence, or if they want you to do anything that is against the true and Great Yehovah, then the saints of the true and Great Yehovah are to immediately **depart from their evil**, biological relatives, and/or from their friends and neighbors who are evil, and are to never return. Also, it is very important for the true saints of the Great Yehovah to “**KEEP their children**” from evil, biological relatives, and from evil friends, and from evil neighbors, and also from “**all**” types of evil environments and evil situations at all times. Do not spend time, nor patience with anyone that want you to do anything that is against the true and Great Yehovah, and that is against you and your children, or who may be trying to discourage you from doing that which is right, and from being all that the Great Yehovah Elohim has for you to do.

Friendship? Ask the true and Great Yehovah Elohim for good friends and good friendship relationships. Also, you can enjoy talking with many individuals, yet do so with the perfect leading of the Great Yehovah Elohim. **Always know, understand, and**

remember that the Great Yehovah Elohim, and all of his Holy Angels, are your main friends, and they are always with you, every night and day of your life. As previously mentioned, it is very important to always have an “**identity and self-worth - as a child of the Great Yehovah Elohim,**” and to always know that the true and Great God is always with those who commit their life unto him. It is better to be “**alone,**” and to have “**weekly Shabbat, religious, worship services**” in your own home and with your immediate family - rather than to be a member of, and to be enslaved to, any type of false house of worship, or false religious community, or to evil friends. Additionally, it must be remembered that the Great Yehovah Elohim promises confusion of mind, deceptions and destruction to those who follow after false prophets and false religious beliefs (idols and idol worship), including false religious groups, and false religious communities. Even if you are a single man, or single woman, it is better to be “**alone,**” and to have “**weekly Shabbat, religious, worship services**” in your own home - rather than to be a member of, and to be enslaved to, any type of false house of worship, or false religious group.

Love for the Great Yehovah Elohim, and Love for Yourself, and also Love for the Holy Saints of the Great Yehovah

Love for the Great Yehovah Elohim - Men, women and children must come to know, understand, and hold firmly to the fact that their LOVE for the Great Yehovah Elohim is, and is always be, and be so throughout eternity, the “**first priority**” in their life, and in every area of their life, and at all times. Because of this men, women and children must learn how to “**firmly and diligently**” connect to, and always hold onto their love, obedience and faith for and in the Great Yehovah Elohim, and in his Government-Kingdom, Holy Laws, Holy Covenant, Holy Word, Holy Spirit, Mighty Power, and Perfect Will for them, at all times from now and throughout eternity. Men, women and children must read, study, research, and get to thoroughly know the fullness of the Holy Covenant, Holy Laws, Holy Word, and Perfect Will of the Great Yehovah Elohim - on an independent basis, especially in order to always serve, love, serve, obey and have faith in the Great Yehovah Elohim, and to always know, understand and obey his Holy Laws, Holy Word, and Perfect Will, and also to always know, understand and obey his Perfect Will for their personal life here on this Earth at all times. Secondly, men, women and children must do these things in order to always live a righteous, blessed, prosperous, and good life here on this Earth, and in order to be able to always avoid evil, and evil individuals, and evil situations. Fourthly, men, women and children must do these things in order to be strong, and in order to go in the right path, and also in order to live to their “**fullest**” potentials, skills, and abilities, and also in order to be able to inherit the great blessings, prosperity, riches and wealth that the Great Yehovah Elohim has for “**each**” of his holy children and holy saints.

Love for Oneself - Men, women and children must “**learn how**” to love, respect and appreciate oneself on this Earth. All sorts of false religious beliefs have taught men, women and children to hate themselves, and to turn the other cheek, and to suffer, and to accept persecution, disrespect, poverty and enslavement, and to be degraded in every area and way, including to accept verbal abuse and insults, even by false religious leaders, and by evil, religious individuals, as well as by evil sinners of this Earth. All of these evil, false religious beliefs must be confronted, and must be destroyed from one’s spirit, soul, mind, body, and

entire life in every area now. Men, women and children must **“learn how”** to truly love, respect and appreciate oneself in the Eyes of the Great Yehovah Elohim, especially because **“each”** of the children and holy saints of the Great Yehovah Elohim are **“very special”** in the Eyes of the Great Yehovah Elohim. When men, women and children become aware of their self-worth as a child of the Great and Supreme King of the Universe, and learn how to love, respect and appreciate oneself, they will begin to value themselves as a person unto the Great Yehovah. When men, women and children learn how to love, respect and appreciate oneself, their perspective on life changes in every area of life. They will begin to want to do that which is right; and they will want to live to their fullest potentials, skills and abilities; and they will want to improve their learning and education, and in getting new skills and abilities, and they will want to have good things in life, including in the areas of material things, riches and wealth, and also they will want to **“enjoy”** life here on this beautiful, blessed, good Earth. Additionally, men, women and children are to always have, exercise, and maintain great joy, rejoicing, happiness, gladness and full of enjoyment of life here on this Earth, and in the very best of all of the great and good things that the Great Yehovah Elohim has for each of his holy child - each and every night and day of one’s life. There is absolutely no sin in wanting and in having the very best of all of the good things of the Great Yehovah Elohim’s Holy Covenant, Love and Promises with each of his holy saints, and of what he promises to each of his holy saint in his Holy Covenant and Holy Word, and also of what each of his holy saints desires in Prayers unto him.

Secondly, by learning how to truly love, respect and appreciate oneself here on this Earth, and especially to love, obey and have faith in the Great Yehovah, men, women and children will learn to say **“NO”** to evil, and to evil individuals, and to evil situations. Thirdly, by learning how to truly love, respect and appreciate oneself here on this Earth, the person will know and understand that they are **“NOT”** to tolerate disrespect from others in any form. If an evil deed is committed against any of the children of the Great Yehovah Elohim, Prayers can be prayed unto the Great Yehovah concerning the situation, and the Great Yehovah does fight for his children, and also he will answer their Prayers unto him. The Great Yehovah Elohim suffers **“no one”** to do any type of wrong to his children. It is very important for all of the true, holy saints of the Great Yehovah Elohim to fully realize and understand that they are **“NOT”** to turn the other cheek, nor are they to forgive evil and wicked individuals on this Earth. If a saint of the true and Great Yehovah Elohim does not want to directly confront an evil individual directly or personally, if there was a wrong done to them, the holy saint of the Great Yehovah Elohim should always pray Prayers unto the Great Yehovah Elohim concerning the person who has done the wrong to them in any matter. This is one of the best methods of fighting back against evil individuals. Also, it is very important to always know and understand that the holy saints of the Great Yehovah are **“NOT”** to hate anyone, yet Prayers can be prayed against wicked and evil individuals on this Earth. Open up the Holy Scriptures, and read, see, know and understand how that the holy saints of the Great Yehovah Elohim prayed Prayers against their enemies, and also at various they had to rise up and fight back against their enemies, even with military weaponry of warfare.

Love for Others - When men, women and children **“first”** learn how to love, obey, and have faith in the Great Yehovah Elohim, and in his Holy Laws and Holy Word, and in doing his Perfect Will, and **“secondly”** when they learn how to love, respect and appreciate oneself, only then will they be able to reach out and learn how to love, respect

and appreciate others, and even seek to do good to others. In reaching out to love others, and in wanting to do good things for others, a person must realize that they are “NOT” to love another person on this Earth - better than the Great Yehovah Elohim, and in that they are “NOT” to love another person on this Earth - better than oneself. The Holy Scriptures teach that we are to love others - as oneself (“NOT” better than oneself). In learning to love another person as oneself, “it is very important to “NOT EVER” love another person on this Earth better than oneself. Never do anything for another person that will cause you to commit any type of sin against the Great Yehovah Elohim, and against any of his Holy Laws of Commandments, Holy Word, and Perfect Will; and never do anything for another person that will go against you; and never do anything that will bring any type of harm or shame to you, regardless who it may be, and what it may be. You do “NOT” owe your life to another person on this Earth, and no other person on this Earth is better than you.

The Presence of the Holy Angels of the Great Yehovah Being With His Holy Children At All Times

Once men, women and children turn to, convert, and join unto the Great Yehovah Elohim, especially after they have made the Everlasting, Holy Covenant of Marriage with the Great Yehovah Elohim, they must fully realize that the “Presence” of the Great Yehovah Elohim, and the “Presence” of the Holy Angels of the Great Yehovah Elohim, are always with them. Read the Holy Scriptures and see how that the “Presence” of the Great Yehovah Elohim, and the “Presence” of his holy Angels were with Abraham, Isaac, and Jacob, and also were with the Israelites during the time of their deliverance from Egypt, and during their traveling through the wilderness, and in their journey and conquest of Canaan Land. Do a Bible Search on the word “Angel,” and on the word “Presence.” Read the Book of Psalms and see how that the Great Yehovah Elohim’s Presence is always with “each” of his holy saint. Become fully aware that the “Presence” of the Great Yehovah Elohim, and of his holy Angels are always with those who serve the Great Yehovah Elohim once the person has made the Everlasting, Holy Covenant of Marriage with the Great Yehovah Elohim. This awareness will prove of great power and strength in your daily life here on this Earth, from now and throughout eternity.

In Psalm 4:3 it is written: “But know that the Yehovah has set apart him that is godly for himself: the Yehovah will hear when I call unto him.”

In Psalm 91:1-16 it is written: “He that dwells in the secret place of the Most High shall abide under the shadow of the Almighty. I will say of the Yehovah, He is my refuge and my fortress: my Elohim; in him will I trust. Surely he shall deliver you from the snare of the fowler, and from the noisome pestilence. He shall cover you with his feathers, and under his wings shall you trust: his Truth shall be your shield and buckler. You shall not be afraid for the terror by night; nor for the arrow that flies by day; Nor for the pestilence that walks in darkness; nor for the destruction that wastes at noonday. A thousand shall fall at your side, and ten thousand at your right hand; but it shall not come

near you. Only with your eyes shall you behold and see the reward of the wicked. Because you have made the Yehovah, which is my refuge, even the Most High, your habitation; **There shall no evil befall you**, neither shall any plague come near your dwelling. **For he shall give his Angels charge over you**, to keep you in all your ways. They shall bear you up in their hands, lest you dash your foot against a **Stone**. You shall tread upon the lion and adder: the young lion and the dragon shall you trample under feet. Because he has set his love upon me, **therefore will I deliver him**: I will set him on high, because he hath **known my Name**. He shall call upon me, and I will answer him: I will be with him in trouble; I will deliver him, and honor him. With long life will I satisfy him, and shew him my salvation.”

As long as men, women and children **diligently seek** to truly love, serve, obey and have faith in the Great Yehovah Elohim, and to always seek to know, understand and obey his Holy Laws, and Holy Word, and his Perfect Will - they will always have the **“Presence”** of the Great Yehovah Elohim, and of his holy Angels with them at all times, and in that the **“Power”** of the Great Yehovah Elohim is always with them. Men, women and children must learn, understand and know how to exercise the **Power** that the Great Yehovah Elohim gives to **“each”** of his holy saints concerning every situation of life. It must be known that many men and women in past years did **not** understand, and did **not** know how to **exercise the Power** that the Great Yehovah has given to **“each”** of his holy saints. Additionally, men, women and children must realize that **“if”** they depart from the Great Yehovah Elohim, and **“if”** they turn to sins, evil, and wickedness, the **“Presence”** of the Great Yehovah and of his holy Angels will depart from them. In Psalm 91:12 it shows how that the Great Yehovah Elohim gives his holy Angels **charge over his saints**, and in that the holy Angels **“bear”** them up; and also it says **“lest you dash your foot against a Stone.”** The dashing of one’s foot against a Stone is symbolic of turning against the Great Yehovah Elohim, and against his Holy Laws, Holy Word, and Perfect Will, and in that a person is turning to, or has turned to doing that which is evil. Read all throughout the Holy Scriptures and see how that the Great Yehovah mightily fought for the Israelites - **as long as they loved, served and obeyed him**. Also, read all throughout the Holy Scriptures and see how that the Great Yehovah **“left”** the Israelites, and gave them over into the hands of their enemies - **when they turned against him**, and in that they disobeyed him, and his Holy Laws, Holy Word and Perfect Will, and in that they turned to idols and false gods (false religious beliefs), and to doing all sorts of evils and evil deeds, and also in that they sought to commit injustice to others. It must be stressed, be fully aware to **NOT** ever depart from one’s **LOVE, and Obedience, and Faith** in and for the Great Yehovah Elohim, and in and for his Holy Laws of Commandments, Holy Covenant, Holy Word, and Perfect Will, **at any time**; nor for any reason whatsoever.

You Are Fully Responsible for You, and For Your Actions and Deeds on This Earth

You are fully responsible **for you**, and you must understand that you are to **NEVER** turn to evil; nor are you to listen to evil, religious leaders, nor listen to false prophets, nor

listen to evil and wicked men and women on this Earth. Since the Garden of Eden, the true and Great Yehovah Elohim has always held **“each, individual person”** - fully responsible for his or her actions and deeds on this Earth. No one can blame false religious leaders, nor false religious groups, nor false religious communities, nor anyone else for their decisions here on this Earth. It is very important for everyone to realize that each person is **“NOT”** to be with, nor in the midst of false religious individuals, nor false religious communities, nor to be in any type of false house of worship, nor in any evil situation or evil environment - at any times; nor is to listen to **evil** religious media broadcasts, nor to any type of **evil** media broadcast. Stay away from all evil teachings, and from all evil situations and evil environments, and stay away from all false worship, and from all forms of evil - at all times. Read I Kings, Chapter 13, and see, know and understand how that a **“righteous, young man of the Great Yehovah”** was deliberately misled by a **“false, religious, elderly individual, who was a false prophet.”** The righteous, young man was punished for disobeying the Great Yehovah in that it cost him his life here on this Earth. Truly always **“stay away”** from evil individuals, and from evil houses of worship, and from evil religious communities - **at all times**. Again, it is better to be alone in having and fully enjoying religious services at home, than to be in any evil house of worship, or evil religious community. Also, remember and know that you are fully responsible for you, and for your beliefs, decisions, actions, and deeds here on this Earth, and in that you must give an account unto the Great Yehovah Elohim for these decisions.

Once a person has committed their life unto the Great Yehovah Elohim the person must allow the **“perfect peace, well-being, and full protection”** of the Great Yehovah to fully dwell **within** him or her at all times, as well as within their homes. Read about the life of Noah, Abraham, Isaac, and Jacob, and many of the holy saints of the Great Yehovah Elohim, and see, know, and understand that the holy saints of the Great Yehovah Elohim fully enjoyed the **“perfect peace, well-being, and full protection”** of the Great Yehovah Elohim each and every night and day of their life here on this Earth - wherever they journeyed, including in their day-to-day activities. Learn how to always seek the Great Yehovah Elohim, including for having the perfect peace, well-being, and full protection of the Great Yehovah Elohim at all times. Secondly, learn to always be at peace with the Great Yehovah Elohim, and **“fully allow him”** to lead and guide you, and to work things out for you, and in that you always have Prayers unto him. Thirdly, learn to always have the Great Yehovah’s **“Perfect Peace within.”** Never be over-anxious, nor stressed-out, concerning things of your life, and be perfectly aware **NOT TO COMPLAIN, NOR TO MURMUR** against the Great Yehovah Elohim at any times. Instead, always Pray and ask the Great Yehovah Elohim for his help, encouragement, strength, stamina, perseverance, and perfect guidance - for every situation of life. In order to be highly successful in any area of life a person needs various skills and abilities, and **spiritual growth**, and also the perfect leading of the Great Yehovah Elohim. In waiting on the Great Yehovah Elohim, seek for good education, and learning; and most important, ask the Great Yehovah **“to educate you”** in every area of life, and for all that he has for you to do, and to be, and for his perfect leading in every area of life - each night and day, including in learning, education, job/career opportunities, etc. It is very important for everyone to fully realize that **“all”** of

the good things that the Great Yehovah Elohim has promised to “**all**” those who serve him, are to his perfect will, especially now in this new, blessed, Seventh Millennium. In the past, all too often many religious men and women did not allow themselves to have spiritual development with the Great Yehovah, and they tried to work things out by themselves, and all too often they failed miserably in so many areas of their life.

Having Perfect, Strong Faith in the Great Yehovah Elohim, and in his Holy Laws, Holy Covenant, and Holy Word

So many religious men and women have had a total mis-understanding of faith in the Great Yehovah Elohim, and in that men and women based their faith on limited knowledge of things, and in that they did not properly know the importance of the Holy Laws and Holy Word of the Great Yehovah Elohim, and in that they did not know the Perfect Will, nor the perfect leading of the Great Yehovah Elohim, and also in that they tried to make things happen by their faith.

As long as a person is connected to, and is holding onto, and is believing in any type of false religious beliefs - the person will fail in their faith in the Great Yehovah Elohim in every area of life, and they will live a defeated and miserably life here on this Earth, regardless how much they claim to have faith. There have been times in the past when the true and Great God had mercy upon many men and women - in spite of their false religious beliefs, yet to walk in perfect and mighty faith in the Great Yehovah Elohim, the person must denounce and depart from all false religious beliefs, and from false beliefs. Also, there have been many times in that the Great God has had “**mercy**” even for many sinners.

Spiritual growth in the Great Yehovah, and in his Holy Laws, Holy Word, Holy Spirit and Mighty Power - takes time. Spiritual growth in every area of life comes about by spending precious time with the Great Yehovah Elohim, including by Prayers, and by studying and meditating in the Holy Scriptures, and by having weekly Shabbat services, and by “**trusting**” in the Great Yehovah Elohim - from **day-by-day**, etc. By spending precious time with the Great Yehovah Elohim the person will come to “**correctly**” know, and will be able to exercise perfect love, obedience and faith in the Great Yehovah Elohim - each and every night and day, and will be able to see many things on a deeper level, including concerning the Holy Laws and Holy Word of the Great Yehovah Elohim, and concerning the Great Yehovah Elohim’s Perfect Will for one’s life here on this Earth, and concerning

Also, know that everyone has to always have, exercise, and maintain of perfect discipline, strength, and perseverance before obtaining great blessings, prosperity, and great success and victory of the Great Yehovah Elohim for their life. **The spiritual growth of a person is so very important**, and of first priority in life, and also spiritual growth of a person is so very important in order to be able to always fully obtain, have, appreciate, and fully enjoy of “all” of the great and perfect peace, well-being, goodness, blessings, prosperity, riches and wealth that the Great Yehovah has for each of his holy saints in every area of life. Again, ask the Great Yehovah to help you always have, exercise, and maintain “**perfect discipline, strength, stability, and endurance**” in every area of your life at all times. Also, take each night, and day each, one day at time, and allow yourself to grow each night and day. Learn how to enjoy and maintain the perfect peace of the Great Yehovah, and also learn how to “enjoy life” here on this Earth each and every night and day of your life. As previously mentioned, **NEVER** murmur, nor complain against the Great Yehovah; instead, humble yourself, and always seek the Great Yehovah Elohim in Prayers for every situation of life. Just because a person may not get what they want immediately it does not mean that their Prayers are not granted. Be patience and maintain strong faith in the Great Yehovah Elohim, and in his Holy Word. Secondly, learn to be “very thankful” unto the Great Yehovah for “all” that he does for you, even for the “very little” things that he does for you each and every night and day of your life. When a person is appreciative of things, a person will receive more and more of good things from the Great Yehovah Elohim.

Joining a Religious Group - Do NOT Rush to Join Any Religious Group, or Any House of Worship

Joining a religious group? **Do NOT** rush to join any religious group, or any house of worship on this Earth, even if is a righteous religious group, or house of worship. It is very important for men and women to get to perfectly know the Great Yehovah Elohim, and to get to perfectly know the Great Yehovah's Holy Laws, Holy Word and Perfect Will, especially **"before"** joining any righteous religious group, or righteous house of worship. Men and women of the Great Yehovah Elohim must learn how to **"immediately recognize and confront the evil."** It is only by becoming knowledgeable in the Holy Laws and Holy Word, and Perfect Will of the Great Yehovah Elohim that a person is able to confront evil, especially because evil can be very subtle. There have been religious men and women, and religious groups that had the appearance of being **"so loving, kind, caring, holy and religious,"** yet they were no more than the children of evil, and in that they were out to entrap others into their evil web of evil, religious ministry because of their love of power, control and money, and also for to have others be their religious slaves. Men and women of the Great Yehovah Elohim must take a stand against and confront evil and evil individuals, including take a stand against and confront evil, religious individuals, and in that men and women are not to join with evil religious men and women. Men and women of the Great Yehovah Elohim must turn away from evil individuals, and **"DO NOT"** go to any house of worship that is against the Great Yehovah Elohim. Secondly, do not make any type of excuse to join with evil religious men and women. In order to continue to walk with the Great Yehovah Elohim men and women must separate from the evil, and from evil individuals; and must **NOT** join with, nor sanction evil individuals, nor evil, houses of worship; and must **NOT** accept, nor tolerate false gods, false religious beliefs, astrology, paganism, nor witchcraft beliefs and practices in any form. There is **NO EXCUSE** to visit, nor to attend any house of worship or religious group that is against the Great Yehovah Elohim, and that is against his Holy Laws, Holy Word, and Perfect Will at any time.

Before joining any religious group, diligently seek the Great Yehovah Elohim concerning the religious group, and/or house of worship, and whether or not it is to his perfect will for you to be joining that particular religious group or house of worship. There could be many houses of worship in a city, yet what is best for you; and most important, is the house of worship serving the Great Yehovah Elohim, and obeying his Holy Laws?

Examining Past History of Mortal Beings in Seeking to Love, Serve and Obey the Great Yehovah Elohim

Let us take time and examine the past history of different religious sects and houses of worship of the past 6000 years.

In the Holy Scriptures of the Old Testament the true and Great God **"NEVER"** commanded the Israelites, nor any individual person, nor family, **to join** any religious group, nor house of worship, in order to get to know, serve, love, obey and have perfect faith in him, and in his Holy Laws, and in doing his Perfect Will here on this Earth.

From the time of Adam and Eve to the time of Moses, there were always righteous men and women who served and obeyed the true and Great God of the Universe, and there is absolutely no Holy Scripture reference that any of them belonged to any type of religious sect, nor to any type of house of worship. For examples: 1) Seth, Enoch, Methuselah and Noah were righteous unto the Great God, and they walked with, and served the true God - the Great Yehovah Elohim, yet there is no mention of any of these individuals belonging to any type of religious sect, nor to any type of house of worship. 2) Abraham, Isaac, Jacob, and also Joseph in Egypt, and their households were righteous unto the Great God, yet there is no mention of these individuals and their households belonging to any type of religious sect, nor to any type of house of worship. 3) Moses fled Egypt, and during the time of Moses, as being a shepherd in Midian, there is no mention of Moses and his household belonging to any type of religious sect, nor to any type of house of worship.

After Moses and the Israelites, and the mixed multitudes of people, left Egypt and journeyed to Mt. Sinai, the Great Yehovah Elohim gave his Holy Laws of Commandments to the people and Nation of Israel, and also he made a Holy, Covenant of Marriage with the people and Nation of Israel, and the people were united as a people, and as a nation unto the Great Yehovah Elohim.

During the time of Moses, there was the building of the Tabernacle (the Holy Sanctuary), and also there was the establishment of the Levitical Ministry, and the selection of the entire tribe of the Levites to be the righteous ministers unto the God, and to be the ministers, teachers and judges of the people of Israel. All of the Israelites had **“free access”** to the Tabernacle - Holy Sanctuary. It is very important for everyone to know and understand that **“every”** individual man and woman had **“full rights”** of access to the Tabernacle - the Holy Sanctuary. It must be noted that **“absolutely no one”** could be **“ostracized”** from the Tabernacle - the Holy Sanctuary, nor from the House of Israel. Secondly, there is no mention of anyone ever being **“ostracized”** from the Tabernacle - the Holy Sanctuary, nor from the House of Israel.

It must be known that the Great Yehovah Elohim commanded that the people of Israel to come to the Tabernacle (the Holy Sanctuary) **“only three times”** in the entire year in order to appear before him, which **“three times”** were the times of the Three Holy Feasts, consisting of the Feast of Passover, and the Feast of Shavout, and the Feast of Sukkot. It must be noted and understand that the Great Yehovah Elohim **“never commanded”** the people of Israel to attend any type of weekly services, nor to be forced to live in religious communities; nor to live under any type of man-made religious authority; nor to live under any type of community laws; nor to live under any type of man-made laws, and man-made traditions and customs.

It must be noted and understood that the Great Yehovah Elohim **“strictly forbid”** the Israelites to worship at any other place other than at the Tabernacle. The Israelites could **“NOT”** establish their own types of houses of worship, nor meeting places of worship, at whatever place that they so desired, nor were they to establish any type of man-made, religious leadership. The Levitical Ministry was, and is chosen of the Great Yehovah Elohim; and the Levites are, and will be, the ministers of the Great Yehovah, and as being ministers to the people, were perfectly established under and by the Great Yehovah Elohim

for an Everlasting, Holy Covenant, even to this present time, and forevermore. Secondly, the Great Yehovah Elohim called and anointed certain individuals to be prophets and prophetess unto him to bring forth his Holy Laws, Holy Word, and messages to the people, yet they were not ever commanded to establish any type of separate religious group, nor any type of house of worship for the people. The establishment of the Levites as being the ministers, and religious leaders, and religious teachers of the people was **NEVER** abolished at any time in history. No one, and no individual Israelites, could ordain themselves into the role of any type of religious ministry of the Great Yehovah Elohim, nor to be a minister of their own free-will, nor even to be a prophet of their own free-will.

After the death of Moses, and after the Israelites went forth and conquered, and settled in the land of Israel, the location of the Tabernacle - the Holy Sanctuary was located at an area called “**Shiloh**,” and the people of Israel gathered there at the Tabernacle during the times of the Three Holy Feasts, and also during times of important events.

The Prophet Samuel - During the time of the Prophet Samuel there were individuals who came to the Prophet Samuel to be taught of him at his home, and also in that the Prophet Samuel gave teachings and guidance to the people in the open areas.

King David - During the time of the reign of King David the Tabernacle was moved from Shiloh to the City of Jerusalem.

King Solomon - King Solomon built the First Temple in the City of Jerusalem, and articles of the Tabernacle, and all of the functions of the Levitical ministry were transferred to the First Temple at the City of Jerusalem. During the time of the First Temple the Holy Laws of the true God **still prevailed** concerning the Levitical ministry, and concerning the Levites as being the ministers of the Great Yehovah Elohim, and also the people were to appear before the Great Yehovah Elohim “**three times**” a year at the First Temple in the City of Jerusalem, as originally commanded of the Great Yehovah Elohim - to appear before him.

The Prophet Elisha - During the time of the Prophet Elisha it is shown how that a Shunammite woman and her household went to the home of the Prophet Elisha during the Shabbats, and for the New Moon. Also, it is shown that there was the gathering of some of the people to Elisha’s home to be taught. (Read: II Kings 4:22-24)

The Destruction of the First Temple - After the destruction of the First Temple in Jerusalem in the year 586 B.C.E., the Israelites were scattered throughout the nations. During this time of the scattering of the people and Nation of Israel there is “**NO**” mention of the Israelites establishing any type of Tabernacle, nor any type of house of worship in the foreign lands of their dispersion - from the time of 586 B.C.E. until 70 C.E. Secondly, during the time of the scattering and dispersion of the Israelites it must be noted that the people came to the Levites to be taught. For example: 1) **Ezekiel** - The elders of the people of Israel came to the “**home**” of Ezekiel when they were in Babylon. Ezekiel was a priest, and of the Levitical Ministry, and also he was a prophet of the Great Yehovah Elohim. 2) **Jeremiah** - During the time when the Prophet Jeremiah was taken down to Egypt, the people of Israel came to the Prophet Jeremiah to hear him. The Prophet Jeremiah was a priest, and of the Levitical Ministry, as well as was a Prophet of the Great Yehovah.

The Prophet Ezekiel - During the time of the Priest-Prophet Ezekiel the Great Yehovah Elohim told Ezekiel that “**He - the Great Yehovah Elohim**” will be a “**Little Sanctuary**” among the people during their time of dispersion among the nations of this Earth, and in that the people and Nation of Israel will return back to the land of Israel in later years. Also, it must be noted that the Great Yehovah never told the Israelites, nor anyone to go forth and to build all sorts of houses of worship in foreign lands.

In Ezekiel 11:16-20 it is written: “Therefore say, Thus says the Yehovah Elohim; Although I have cast them far off among the heathen, and although I have scattered them among the countries, yet will I be to them as a **Little Sanctuary** in the countries where they shall come. Therefore say, Thus says the Yehovah Elohim; I will even gather you from the people, and assemble you out of the countries where you have been scattered, and I will give you the land of Israel. And they shall come thither, and they shall take away all the detestable things thereof and all the abominations thereof from thence. And I will give them one heart, and I will put a new spirit within you; and I will take the stony heart out of their flesh, and will give them an heart of flesh: That they may walk in my Statutes, and keep mine Ordinances, and do them: and they shall be my people, and I will be their Elohim.”

The Prophet Daniel - It is shown in that the Prophet Daniel “**prayed and worshiped the Great Yehovah Elohim**” in his private home. (Read: Daniel 6:10) Within one’s own private home a person, and an entire family, can indeed have weekly Shabbat services, and Feast Days services, and also daily Prayer services, studying of the Holy Scriptures, and also of singing and dancing - unto the Great Yehovah Elohim.

It must be known and understood that the Great Yehovah Elohim promises in his Holy Word that he will come unto his holy saints wherever they may be.

In Exodus 20:24 it is written: “An altar of earth you shall make unto me, and shall sacrifice thereon your burnt offerings, and your peace offerings, your sheep, and your oxen: **In all places where I record my NAME I will come unto you, and I will bless you.**”

Returning to the City of Jerusalem - Under the reign of Cyrus, the king of Persia, many of the Israelites returned to the land of Israel, and there was the re-building of the Temple in the City of Jerusalem, as well as the building of the walls around the City of Jerusalem.

The Establishment of Various Separatists, Religious Groups/Sects During the Latter Time of the Grecian Empire, and Thereafter

During the time of the reign of the Grecian and Roman Empires over the people, Nation and land of Israel, so many of the people were attracted to all sorts of false gods,

false religious, beliefs, astrology, paganism, and witchcraft beliefs and practices, as well as to the Grecian ideas of reasoning and philosophical beliefs and practices. There was the rise to power of Antichus Epiphanes, and of his aim to destroy the Israelites - from the time of 194 B.C.E. to the time of 182 B.C.E. Also, there was the rise to power of Maccabe-Hasmonean reign - from the time of 183 B.C.E. to 63 B.C.E. In examining the writings of the Works of Josephus (the Jewish historian) there is no mention of any type of establishment of various sects before, nor during the time of Maccabe-Hasmonean reign (until 64 B.C.E.). The establishment of various separatists, religious groups/sects in the land of Israel came into being after 63 B.C.E., especially when the Roman Empire gained control over the people, Nation and land of Israel. The names of the three main groups were: the Sadducee, and the Pharisees, and the Essenes.

After the First Roman-Jewish War During the Time of 66-73 C.E.

In the years from 66-73 C.E. there was the First Roman-Jewish War, and in that the Second Temple was destroyed by the Roman Empire. During this time the Pharisees were the majority (so many of the people followed after the Pharisees). In the rise to power of the Pharisees, they took over the role of the Levitical Ministry - by brute, military force. Also, the Pharisees leaders commanded the people that followed them to “**NOT**” give their Tithes and their Offerings to the Levites in order to devastate the Levites financially, and the Pharisees leaders commanded the people to give their Tithes and Offerings to charitable causes, which evil things were in direct defiance and rebellion against the Great Yehovah Elohim, and which evil things brought forth continual curses and destruction to the Jewish people by the Great Wrath of Judgment of the Great Yehovah Elohim for nearly the past 2000 years.

The Pharisees believed in all of the false religious beliefs of Babylon, consisting of false gods, astrology, paganism, and witchcraft beliefs and practices, as well as believed in the “**reasoning and philosophy**” of the Grecians, and they accepted the various teachings of the Grecians, and of other people and nations, and also in that they diligently taught so many of the masses of the people to fully accept and believe in, and to practice the evil beliefs of the nations, especially by “**incorporating**” all sorts of false beliefs and false practices with the true, Holy Laws and Holy Word of the Great Yehovah Elohim. After the destruction of the Second Temple in Jerusalem, the Pharisees changed their sect name to Rabbinic Judaism, and in that they established the position of having Rabbis, and in that they established Rabbinic communities, and in that they established the belief that the Rabbis had “**absolute authority**” - even above the true and Great God - the Great Yehovah Elohim, and also in that they established their own set of laws - called Rabbinic - Jewish Laws of the Rabbis. The establishment of Rabbinic communities, and of the establishment of all sorts of Rabbinic laws, and community laws, and man-made, traditional laws - were perfectly designed to control and rule over the people from the time of people’s birth to the time of their death - by brute, religious tyranny.

It is very important for everyone to perfectly know and understand that the true and Great God - the Great Yehovah Elohim “**strictly forbid**” the Israelites, other than the Levites, from entering the Levitical Ministry, and from trying to take over the role of the

Levitical Ministry. Regardless of the “**reasoning**” of the Pharisees in taking over the role of the Levites, the Pharisees brought forth “**continual**” deception, confusion, and massive destruction to many millions of Israelites men, women and children from the time of 66-73 C.E. to this present time because they greatly misled the people and Nation of Israel away from the true and Great God, and because they greatly misled the people and Nation of Israel to their destruction, and to their needless wandering among the nations, and also of misleading them to believe in and to constantly “**wait, and wait, and wait in exile**” for an astrological, messiah-meshiach, which belief is solely based on astrology. The destruction of the Israelites within the past 2000 years, and not only within the 2000 years, rather, in the past 3500 years (since the time of the death of Joshua) has mainly been because of the Israelites separating themselves from the Truth of the true and Great God - the Great Yehovah Elohim, and because of separating themselves from the Holy Covenant, and Holy Laws of Commandments, and Holy Word, and also Perfect Will of the Great Yehovah Elohim.

The Establishment of Christianity, and Other Religious Groups, and the Building of Houses of Worship

The establishment of Christianity started in the year 325 C.E., and the writing of the New Testament also started in 325 C.E. and the New Testament writings were completed in the year 368 C.E. I fully encourage everyone to buy and read my book “*Understanding Bible Prophecies - Bible Prophecies Since the Garden of Eden to This Seventh Millennium,*” which outlines the history of Christianity, and the writings of the New Testament, and how these evil beliefs were forced upon the masses of the European people, and also forced upon many people and nations of this Earth.

The building of various Church buildings was started in the year 325 C.E. when Christianity was **first created**, and introduced, and forced upon the European people. These Church buildings were mainly for the Church officials, and for the elite societies of the European nations. The peasants/serfs/slaves of the European nations had no rights, nor access to attend the Church services. The peasants/serfs/slaves of the European nations were enslaved to, and lived on the land property of their lords and vassals, and in that they had no rights, nor recognitions whatsoever.

The Printing Press, and the Great Access to the Written, Holy Scriptures of the Old Testament

In 1440 C.E. the wonderful and Great Yehovah Elohim mightily blessed mortal beings with the invention of the printing press. It is estimated that about 180 copies of the Bible were printed in the year of 1445 C.E. Since that time to this present time, there have been “**billions**” of copies of the Bibles printed and distributed throughout this entire Earth, including in many different languages. Before the year 1440 C.E., the working people did not have access, nor were able to have a copy of, nor able to read the Holy Scriptures; nor did so many of the people know how to read anything. The people had to rely solely on the religious authorities, which so many of the men of the religious authority misled so many of the masses of the people concerning the Holy Laws and Holy Word of the true and Great

God - the Great Yehovah. In this present time, everyone can have a copy of the Old Testament; and most men and women, and even children can read. Everyone in our present time can know and understand the Truth of the Holy Laws, Holy Word, and Perfect Will of the Great Yehovah Elohim of the Old Testament.

Martin Luther's Reformation, and the Departure of Many from the Roman Church

After Martin Luther's stand against the Roman Catholic Church in the 1500s, and because of the "blessed" invention of the printing press in the year 1440 C.E., there were many copies of the Bibles, and of various religious writings, and of various books, and also of various texts, that were printed, and were made available to many of the people (of those who could afford the cost, and who could read). These things opened the minds of the people to the Holy Word of the Great Yehovah Elohim, as well as opened the minds of the people to various writings and beliefs. It must be noted that many schools were established, which enabled many of the working families to send their children to school.

The building of houses of worship throughout the European nations started after the Martin Luther's Reformation, and in that there were the access to the Holy Scriptures, and in that there were many different groups being formed. The Reformation took place starting in the 1500s, and as the people began to free themselves from the tyranny of the Roman Catholic Church they formed various religious groups, and they built and established all sorts of houses of worship, as well as established various schools. Secondly, as masses of the people sought for religious freedom, and freedom in businesses and economics, many thousands of people started to migrate to the New World, and even throughout this Earth. Also, as the people migrated to other areas of this Earth they started to form different religious groups and sects; and in that they built many Church buildings, as well as in that many Synagogue buildings were built. In these new houses of worship there were seats for the people. The practice of coming to services on a weekly basis became a standard practice for the working people.

It must be reminded that in the European, grand houses of worship, that before the 1500s, the working people were not allowed to attend the weekly religious services in the grand houses of worship. The grand, houses of worship were solely for the elite societies. It was only after the Reformation, and in that so many thousands of people migrated to the New World, and to various areas of this Earth, that houses of worship were built for the working men and women, and for their children.

Promises of Deception, Confusion, Destruction, and Even Death to Those Who Follow After False Religions

It must be stressed that the true and Great God - the Great Yehovah Elohim promises, and has throughout history, executed deception, confusion, destruction, and even death, to all those who follow after false gods, false religious beliefs, false prophets, astrology, paganism, and witchcraft beliefs and practices. Throughout the Holy Scriptures of the Old Testament, the words "idols, and false gods" are referring to all of the false

religious beliefs of the people and nations throughout this Earth, including in that “**idols and false gods,**” consist of all false religious beliefs, and false religious sects and groups, and false houses of worship, and also astrology, paganism, and witchcraft beliefs and practices.

In Ezekiel 14:1-11 it is written: “Then came certain of the elders of Israel unto me, and sat before me. And the word of the Yehovah came unto me, saying, son of man, these men have set up their **idols in their heart**, and put the stumblingblock of their iniquity before their face. Should I be inquired of at all by them? Therefore speak unto them, and say unto them, Thus says the Yehovah Elohim; Every man of the house of Israel that sets up his idols in his heart, and puts the stumblingblock of his iniquity before his face, and comes to the prophet; **I the Yehovah will answer him that comes according to the multitude of his idols; That I may take the house of Israel in their own heart, because they are all estranged from me through their idols.** Therefore say unto the house of Israel, Thus says the Yehovah Elohim; **Repent**, and turn yourselves from your idols; and turn away your faces from all your abominations. For every one of the house of Israel, or of the stranger that sojourns in Israel, which separates himself from me, and sets up his idols in his heart, and puts the stumblingblock of his iniquity before his face, and comes to a prophet to inquire of him concerning me; I the Yehovah will answer him by myself: **And I will set my face against that man**, and will make him a sign and a proverb, and I will cut him off from the midst of my people; and you shall know that I am the Yehovah. **And if the prophet be deceived when he has spoken a thing, I the Yehovah have deceived that prophet, and I will stretch out my hand upon him, and will destroy him from the midst of my people Israel. And they shall bear the punishment of their iniquity: the punishment of the prophet shall be even as the punishment of him that seeks unto him;** That the house of Israel may go no more astray from me, neither be polluted any more with all their transgressions; but that they may be my people, and I may be their Elohim, saith the Yehovah Elohim.”

In Deuteronomy 13:1-18 it is written: “If there arise among you a **prophet**, or a **dreamer of dreams**, and gives you a sign or a wonder, And the sign or the wonder come to pass, whereof he spoke unto you, saying, Let us go after other gods, which you have not known, and let us serve them; You shall not hearken unto the words of that prophet, or that dreamer of dreams: for the Yehovah your Elohim proves you, to know whether you love the Yehovah your Elohim with all your heart and with all your soul. **You shall walk after the Yehovah your Elohim, and fear him, and keep his Commandments, and obey his voice, and you shall serve him, and cleave unto him. And that prophet, or that dreamer of dreams, shall be put to death; because he has spoken to turn you away from the Yehovah your Elohim,** which brought you out of the land of Egypt, and redeemed you out of the house of bondage, to thrust you out of the way which the Yehovah your Elohim commanded

you to walk in. So shall you put the evil away from the midst of you. If your brother, the son of your mother, or your son, or your daughter, or the wife of your bosom, or your friend, which is as your own soul, entice you secretly, saying, Let us go and serve other gods, which you have not known, you, nor your fathers; Namely, of the gods of the people which are round about you, nigh unto you, or far off from you, from the one end of the Earth even unto the other end of the Earth; You shall not consent unto him, nor hearken unto him; neither shall your eye pity him, neither shall you spare, neither shall you conceal him: But you shall surely kill him; your hand shall be first upon him to put him to death, and afterwards the hand of all the people. And you shall stone him with stones, that he die; because he hath sought to thrust you away from the Yehovah your Elohim, which brought you out of the land of Egypt, from the house of bondage. And all Israel shall hear, and fear, and shall do no more any such wickedness as this is among you. If you shall hear say in one of thy cities, which the Yehovah your Elohim has given you to dwell there, saying, Certain men, the children of Belial, are gone out from among you, and have withdrawn the inhabitants of their city, saying, Let us go and serve other gods, which you have not known; Then shall you inquire, and make search, and ask diligently; and, behold, if it be truth, and the thing certain, that such abomination is wrought among you; You shall surely smite the inhabitants of that city with the edge of the sword, destroying it utterly, and all that is therein, and the cattle thereof, with the edge of the sword. And you shall gather all the spoil of it into the midst of the street thereof, and shall burn with fire the city, and all the spoil thereof every whit, for the Yehovah your Elohim: and it shall be an heap forever; it shall not be built again. And there shall cleave nothing of the cursed thing to your hand: that the Yehovah may turn from the fierceness of his anger, and shew you mercy, and have compassion upon you, and multiply you, as he hath sworn unto your fathers; When you shall hearken to the voice of the Yehovah your Elohim, to keep all his Commandments which I command you this day, to do that which is right in the eyes of the Yehovah your Elohim.”

In Deuteronomy 17:2-7 it is written: “If there be found among you, within any of your gates which the Yehovah your Elohim gives you, man or woman, that has wrought wickedness in the sight of the Yehovah your Elohim, in transgressing his Covenant, And has gone and **served other gods, and worshiped them, either the Sun, or Moon, or any of the host of Heaven,** which I have not commanded; And it be told you, and you have heard of it, and inquired diligently, and, behold, it be true, and the thing certain, **that such abomination is wrought in Israel:** Then shall you bring forth that man or that woman, which has committed that wicked thing, unto your gates, even that man or that woman, and shall stone them with stones, till they die. At the mouth of two witnesses, or three witnesses, shall he that is worthy of death be put to death; but at the mouth of one witness he shall not be put to death.

The hands of the witnesses shall be first upon him to put him to death, and afterward the hands of all the people. So you shall put the evil away from among you.”

Important Note: The “false prophets,” and the “other gods,” and the “cursed things” are “all false religious beliefs, idols, and all false religious authorities, and all false religious establishments, and all false houses of worship,” regardless what source these false religious beliefs come from. Additionally, the worship of the Sun, and the Moon, and hosts of Heaven is **astrology**, paganism, and witchcraft beliefs and practices, and is the worship of all sorts of false gods - idol gods. Astrology is a religion; it is a false religious belief consisting of the worship of all sorts of man-made false gods, paganism, and witchcraft beliefs and practices, and also of human sacrifices. All of these evil things brings confusion, deception, curses, destruction and death to all those who follow after these evil beliefs. The Great Yehovah Elohim strictly forbid all types of false worship. **Also note,** the Great Yehovah Elohim **never** commanded the Israelites to go forth throughout the Earth and wage wars, nor to execute the death penalty against other people at their own discretion, regardless of the evil beliefs of other people and other nations.

It must be known and perfectly understood that “all people and nations” throughout this entire Earth have, in the past years, centuries, and millenniums, accepted and worshiped all sorts of “idols” of false religious beliefs, consisting of “false gods, false houses of worship, astrology, paganism, and witchcraft” beliefs and practices. Also, it must be known and perfectly understood that all people and nations throughout this entire Earth have been, and were cursed, scattered, suffered, enslaved, and so many were destroyed, because of the acceptance and worship of all sorts of idols and false gods, which idols and false gods are false religious beliefs and practices.

In the last century over 250 million people were slaughtered, especially by elite societies. Why? It was because so many of the masses of the people having accepted and believed in all sorts of false religious beliefs, which false religious beliefs teach defiance and rebellion against the true and Great God - the Great Yehovah Elohim, and against his Holy Laws, Holy Word, and Perfect Will, and which false religious beliefs teach the masses of the people to pray for and support evil, and evil men in governments, and also which teach men and women to not fight back against evil. Throughout history, “all” people and nations have suffered the Great Wrath of Judgment of the Great Yehovah Elohim because of their false religious beliefs, false worship, false religious authorities, and false religious establishment, as well as because of their man-made systems of governments, and corrupt, economic system.

Houses of Worship - An Examination of Various Types of Houses of Worship Throughout This Earth

Throughout history there was the establishment of various houses of worship. The various people and nations throughout this Earth built their houses of worship to their various false gods (false religious beliefs). For example, it is shown how that the “houses of Baal” were built for the people to come to in order to worship, and for the people to bring

their various offerings and gifts, and for their various false practices, and also for human sacrifices.

The Great Yehovah Elohim “**strictly forbid**” the Israelites, and for any of his holy saints, from going to, and from joining in worship, with any type of house of worship of false gods (false religious beliefs). Additionally, the Great Yehovah Elohim “**strictly forbid**” men and women from following after “**false prophets,**” and from following after “**astrological beliefs,**” and from following after “**witchcraft**” beliefs and practices.

I fully encourage everyone to read my article, Article #4, entitled: “*Astrology - It is a Religion! Astrology is a False Religious Belief of the Worship of All Sorts of False Gods.*” This article goes into great details concerning false gods, astrology, paganism, and witchcraft beliefs and practices, and how that the true God promises deceptions, curses, suffering, destruction, and even death to all those who follow after, and believe in, false religious beliefs and practices. For the past 6000 years, so many of the masses of the people and nations were, and have been, cursed and destroyed because of their various false religious beliefs and practices, and because of their various man-made system of governments, and also because of their corrupt, economic beliefs and practices.

It must be fully known and understood that “**all**” of the major religions throughout this Earth are rooted in the astrology, paganism and witchcraft beliefs and practices of ancient Babylon. All of these religions, and all of their houses of worship are totally against the Great Yehovah Elohim. It is not to the perfect will of the Great Yehovah Elohim for men, women and children to go to, nor to attend the worship service of any house of worship that accepts and practices false religious beliefs and practices.

False Prophets, and False Religious Leaders of Various Houses of Worship, and Claiming That They are of God

Everyone must be aware of false prophets, and false religious individuals. Throughout history there have always been false prophets, and false religious leaders, and false individuals, who came forth claiming that they were of God, and in that they wanted the people to blindly believe in and accept them. Men and women must always be fully aware of this fact. Since the time of the Garden of Eden to this present time there have always been evil individuals who wanted to deceive, and to have authority over others, and who have wanted to control, manipulate, and enslaved others, especially for their own benefits, and in order to obtain riches and wealth. Men and women must be aware that just because someone is claiming that he/she is of God, and is claiming that “**God spoke to them,**” and even in claiming that “**God told them to tell you thus and thus,**” it does not mean so. Men and women must learn to recognize and to turn away from all “**false prophets,**” and “**false religious individuals,**” and “**deceptive individuals.**” Immediately turn away from and reject evil religious individuals, and false prophets, and false religious leaders.

Guidelines in Recognizing False, Religious Individuals, and False Prophets, and False Religious Leaders

There are ways to recognize and reject deceived, religious individuals, and recognize and reject false prophets, and religious con-artists, and false religious leaders, who want to prey on innocent individuals.

1) If anyone rejects and goes against the true and Great God - the Great Yehovah Elohim, and rejects and goes against his Holy Laws of Commandments, Holy Word, and Holy Covenant of the Old Testament - fully recognize and understand that **that person**, or that religious group, or that house of worship, is believing in and is worshipping **“idols and false gods,”** which is the belief in and the worship of false religious beliefs. You are to immediately turn far away from that person, or from that religious group, or from that house of worship, and from that false religious leader.

2) If anyone comes to you and uses the **“Name of God, or religious writings”** in order to try to manipulate you, or try to control you, or try to obtain money, riches, and wealth, or any type of materials, or items, or even **“uses fear tactics”** to try to manipulate you - fully recognize and understand that **that person** is a **“false prophet, or false leader, or false religious person, or deceptive individual, who is trying to con men and women.”** You are to immediately turn far away from that person, or from that religious group, or from that house of worship.

Money Ministries - Men and women must open up their eyes and see that many **“religious ministries”** are no more than **“Money Ministries.”** There are many **“Money Ministries”** that were set up with their main purposes to manipulate, and to con and deceive the masses of the people out of whatever money, riches and wealth that their followers may have, and in that they do so by mis-using the Name of God, and by mis-using the Holy Word of God, and also in that they do so in order to obtain great riches and wealth. Men and women are **NOT** to support any type of **“Money Ministry”** at any time. It must be known and understood that **“all”** of the Money Ministries of this present time are of false prophets, and false houses of worship, and false ministries of worship, and are of religious beliefs and practices that are totally against the true and Great God - the Great Yehovah Elohim.

Over 4000 years ago **“slavery”** started because so many of the masses of men and women followed false individuals who came forth claiming that they were **“of God,”** and in that so many of the masses of the people were **“deceived”** into believing in and accepting these evil, false individuals - by blind faith. Secondly, **“slavery”** happened because so many men and women sought after all sorts of **“securities”** in another person, or in some sort of leader, or in some house of worship, or in warlords' of man-made governments. This incident of over 4000 years was the start of the beginning of the building of the ancient Cities and Tower of Babel, and also of the enslavement of billions of people - in the Name of God. It must be known and understood that throughout history the true and Great God cursed men and women for believing in and accepting evil, false individuals, and for seeking **“securities”** in evil, false individuals, and/or in false religious groups, and/or in man-made systems of governments, and/or in false business individuals, and deceptive investments. The ancient Cities and Tower of Babel were built and established on all sorts of false

beliefs, and upon the creation of all sorts of false securities for the masses of the people to believe in.

Indoctrination, and Avoiding Indoctrination to False Religious Beliefs, As Well As to All Evil Teachings and Beliefs

As mentioned previously, it is so very important for men and women, and their children, to “NOT EVER” go to, nor attend the meeting of, nor to become a member of, of any type of false religious group, or false house of worship; nor to attend any type of false religious meeting or function - for any reason. Men and women must be fully aware of “**the power of indoctrination,**” and in that throughout history all sorts of evil indoctrinations entrapped men’s, women’s, and children’s mind to all sorts of deceptions, and to being accepted “**as slaves**” to and for the false religious establishments, and to man-made systems of governments, and to the corrupt, economic systems of this Earth. Also, it is very important to recognize that all sorts of false philosophical beliefs, and false cultural beliefs, and false teachings - in schools, colleges, and universities were perfectly designed and taught in order to “**enslave**” the mind, soul and life of multi-millions of people throughout this Earth - by the power of evil indoctrinations. Because of being deceived to all sorts of evil indoctrinations, so many men and women were enslaved, cursed, exploited by evil men and women in power, including in the areas of religions, and in the areas of man-made systems of governments and politics, and also in the areas of the corrupt, economic system of this Earth. In the past, because of many men and women being deceived to all sorts of evil indoctrinations, even when men and women were told the “**TRUTH**” of many things, so many were not willing to “**free**” their mind, spirit and life from all of the deceptions, and from the slavery and enslavements, and from their enslaved environments.

Evil Spirits - In addition to being fully aware of the power of evil indoctrinations, men and women must become fully aware of “**evil spirits,**” and must become aware that evil spirits will try to keep men and women living in and under all sorts of deceptions, entrapments, curses, and slavery, including by means of guilt, and of guilt of things of the past. Evil spirits want men, women and children to be entrapped to evil houses of worship, and to false religious beliefs, and false religious communities, and to all sorts of slavery. Remember how the Serpent in the Garden of Eden wanted Adam and Eve to fail, and to be cursed, and to be reduced to being homeless. Men and women must hold to the HOLY WORD of the Great Yehovah Elohim for and in every area of life, and NOT be enslaved to any evil things of the past, and also must “**fully accept being fully forgiven**” of all evil things of the past by the Holy Word of the Great Yehovah Elohim. By holding unto the eternal, Holy Word of the Great Yehovah Elohim, and to the true history of things, “**a person will be free,**” and will remain free at all times from all evil things, and from their evil past and past mistakes, as well as from all forms of guilt. The Great Yehovah warns against following after “**idols and false gods**” - which idols and false gods are all false religious beliefs, false prophets, false religious individuals, false teachers, false religious authorities, and false religious establishments, and even to all sorts of false ideas. One of the main reasons to NOT go to, nor to attend the religious services of false houses of worship is because of the “**evil indoctrinations**” of false teachings and false beliefs.

If a person allows themselves to accept things by **“blind faith,”** and in that the person does not take time to research, study, learn, and know the **“TRUTH, and the true history”** of things, a person can be **“indoctrinated and brainwashed”** in so many areas, including in the areas of **“religions, man-made systems of governments, the media, the standard educational system, business and economics, philosophical ideas, false teachings, etc.”** The vast majority of the people throughout this Earth have been **“indoctrinated and brainwashed”** in so many areas, even without knowing that they have accepted many false things - by blind faith. Also, how many have accepted all sorts of **“false ideas,”** and **“false news reports”** - without question? In the areas of the different religions there have been billions of individuals who have fully accepted, and live by, all sorts of false religious beliefs - without question; and as a result, so many of the people remain enslaved in every area of life? By accepting things without question, and assuming that something is true, a person can become **“indoctrinated and brainwashed,”** and by continuing in the path of various false teachings, beliefs and practices, the person, and the masses of the people can reach a point of **“indoctrination”** in that so many will never turn away from the **“false teachings, false beliefs, and false practices.”** When men and women, and children, people, cities and nations become so indoctrinated to evil beliefs, teachings, and false ideas, and in that they are not willing to turn from the evil indoctrinations, the Great Yehovah Elohim always sends forth his Great Wrath of Judgment against the masses of the people, and destroys them.

The Evil, Threat of Going to Hell, An Evil Tactic and False Belief to Continually Enslave People

In so many houses of worship, after a person joined the group, many of the religious leaders threatened the members that they were going to go to hell - if they left their house of worship. Sadly to say, many men and women allowed themselves to be **“spiritually and mentally entrapped”** to evil houses of worship because of this evil threat of hell. It is so very important to thoroughly and diligently get to know the **“TRUTH”** of the Great Yehovah Elohim, and of his righteous, Holy Government-Kingdom, Holy Laws, Holy Covenant, Holy Word, Holy Spirit and Mighty Power in every area - **on an independent basis**, especially in order to **“NOT”** be manipulated, nor controlled, nor to be **“spiritually and mentally enslaved”** to any type of false teachings, false beliefs and false practices; nor to be enslaved to any type of evil tactics of false houses of worship, nor to false, religious men and women.

The evil belief in hell, fire, brimstone, eternal damnation, and of devils with pitchforks torturing men and women came from the false, astrological, pagan and witchcraft beliefs of the ancient Cities and Tower of Babel, of over 4000 years ago, centering on the false belief of Pluto, the alleged false and pagan god of the alleged underworld. These evil beliefs were created and used to enslave the mind, spirit, soul and life of so many of the people, and were used to control so many of the masses of the people, and to keep men and women entrapped to evil houses of worship, and to false beliefs, as well as were used to try to keep so many of the masses of the people continually enslaved to the tyranny of evil, elite societies, especially in order to always have **“cheap labor”** by the exploitation of so many of the masses of the people. The true and righteous Great Yehovah Elohim **NEVER** promised to Adam and Eve, nor to Abraham, nor to the Israelites, nor to

anyone, that men and women will have eternal damnation, nor of being tortured forever and forever. Learn the **TRUTH** concerning these things, and also learn the **TRUTH** concerning the true, Holy Laws, and Holy Word of the Great Yehovah Elohim, and “**DO NOT**” live your life in fears of anyone, nor of any type of threat of hell, fire, brimstone, and eternal damnation. Evil, religious men and women, and evil, houses of worship, and false religious establishments, have always used fear tactics, and all sorts evil tactics, in order to try to manipulate and control the masses of the people, and in order to try to “**enslave**” so many of the masses of the people first and foremost by enslaving the people “**spiritually and mentally,**” by all sorts of false religious beliefs and practices. Learn to always “**fight back**” in the mighty power and authority of the Great Yehovah Elohim, and stay away from, and avoid evil men and women, whether religious, or non-religious, and also avoid evil houses of worship, and evil religious communities.

Very Important: In examining the areas of “**evil indoctrinations**” men and women must “**always fully PROTECT**” their mind, spirit, life, and every area of their life, and must **NOT** accept anything by blind faith - whether religious, the media, man-made governments, or economics, or even social and family matters, etc. Men and women must **NOT** go to, nor join with anyone, nor any group that goes against the true and Great God - the Great Yehovah Elohim, and that goes against his Holy Laws of Commandments, Holy Covenant, and Holy Word of the Old Testament. How many men and women became indoctrinated, or persuaded, just by attending one or more meeting of evil individuals? OR, by listening to the media, and news reports, etc. of the radio and television, etc.? Evil indoctrinations are powerful tools that have been used throughout history to try to entrap the mind and spirit of the masses of the people to accept all sorts of false ideas, and false beliefs - without question, whether in the areas of religion, education, politics, government, economics, financial, family, social, etc.

In Proverbs 4:23 it is written: “**Keep your heart (mind) with all diligence; for out of it are the issues of life.**” (**PROTECT YOUR MIND and SPIRIT, and LIFE.**)

All throughout the Holy Scriptures of the Old Testament, it is stressed to “**avoid evil.**” It is so very important to fully protect your mind, including by **NOT** accepting any type of false teaching in any area. A person must protect their mind by not accepting any type of false teaching, nor lies, nor deception of any type. A person must protect one’s mind from evil television programs, and from evil movies, and from evil conversations, and from evil propaganda, and from evil teachings in schooling, colleges and universities, and from all forms of evil - regardless where it may come from. Indoctrination, and planting of evil ideas into the minds of the people have been evil tactics of evil men and women for the past 6000 years; therefore, fully “**PROTECT**” your mind and spirit, and avoid evil, and evil individuals, and evil situations, and evil houses of worship, and evil religious teachings at all times. (Read: **Proverbs** 4:14-20; 14:7; 20:19; 22:3; 22:24-25; 23:1-9; 23:19-21; 24:1-2; 24:21-22; 26:17-28; 27:6, 12; 30:32-33; **Proverbs** 1:10-19; **Psalms** 1:1-6; **Ecclesiastics** 10:1. Also, read and see how a righteous king was cursed because of his alliance with, and joining with an evil king. (Read: II Chronicles 19:1-2)

Always **thoroughly examine and question things** - on an independent basis, whether religious, political, government, economics, the media, social, personal, and even family. Also, always know and perfectly understand that you must **REJECT** and say **NO** to

all forms of evil, regardless of individual, or situation. Men and women must not be afraid to say to **NO** to evil, and to evil individuals, and to evil situations. In order to continue to walk in the mighty blessings, goodness, and power of the Great Yehovah Elohim at all times a person **must NOT** join with, nor sanction any type of evil.

Living Under Religious Tyranny - Many houses of worship have been, and even in this present time, are no more than “**houses of religious tyranny and dictatorship,**” and in that the members of the groups have been manipulated to do many things, especially by using the “**Name of God,**” and by all sorts of “**fear tactics,**” and in that the members are living in slavery. There are houses of worship where the members are “**forced**” to attend services and meetings, even to attend meetings several nights per week. There are houses of worship where the members have been told that “**they must**” give a specified large sums of money to the house of worship. Additionally, how have the “**Name of God**” been used to meddle into the private, personal, and even the financial affairs of the members?

Evil Leaders, and Evil Elders of the People? - Should men and women be obedience to evil leaders, and to evil elders? and evil, religious leaders? Are men and women to “**obey**” leaders, and elders in houses of worship, even in regard to their personal, private and financial life, and even in regard to their social life? It must be stressed, men and women, and their children are “**NOT**” to go to, nor are to be members of any type of false house of worship for any reason whatsoever, nor are they to join any false religious group. If there is any religious group, or house of worship that want to try to be a tyrant over others, and that want to control, manipulate, and enslave others - be fully aware that that person is not of the true and Great Yehovah Elohim. The Great Yehovah Elohim promises destruction to those who follow after false religious leaders, false prophets, and false individuals, **regardless of their age.** As previously mentioned, read the Holy Scriptures, and see, know, and understand how that the Great Yehovah Elohim destroyed a young, “**righteous**” prophet who turned to an “**elderly**” false prophet, and who obeyed this “**elderly**” false prophet - instead of holding to and obeying the Holy Word of the Great Yehovah Elohim. It was “**NOT**” to the perfect will of the Great Yehovah Elohim for the righteous, young man to have turn to the false prophet, nor to have obeyed the “**elderly**” false prophet, nor to have gone to his home. (Read: I Kings 13:1-34) Also, read the Holy Scriptures, and read the history books, and see how that there were many “**elderly**” false prophets, and “**elderly**” false leaders, and “**elderly**” men of false religious authorities, and false religious communities, and even “**elderly**” government leaders, who misled so many of the masses of the people to massive destruction and death, including during the last century. Stay far away from all false houses of worship, and stay away from “**evil, elderly**” individuals, regardless how religious the person may seem to be.

All throughout the Holy Scriptures of the Old Testament there are many verses that warn the people to “**avoid evil,**” and to “**not go in the path of the evil.**” Take heed to the writings of the true, Holy Word of the Great Yehovah Elohim of the Old Testament, and do indeed always “**avoid evil and evil situations at all times,**” and do not ever go to any house of worship that is against the Great Yehovah Elohim of the Universe, and also always “**avoid evil individuals,**” regardless who that person may be, whether religious, political, social, business, etc. (Read the Book of Proverbs in the Old Testament.) In living under and obeying the Great Yehovah Elohim men and women cannot be “**forced**” to obey evil leaders, nor evil religious leaders, nor evil elders, nor evil individuals. If you are not a

member of an evil and false house of worship, the evil religious leaders, nor the evil elders **“do NOT”** have any type of control over you whatsoever. Even in a Civic Society, there are laws, and law enforcement, and judicial system that protect the people from the tyranny of another. The only time when men and women live under **“religious tyranny”** is because they become a member of that false house of worship, and in that they have **“fully allowed”** themselves to become **“indoctrinated, brainwashed, deceived, manipulated, verbal abused, control, robbed, degraded, and enslaved”** by the house of worship that they went to, and joined, and allowed themselves to be enslaved thereby. Men and women must **WAKE UP**, and come out of the spiritual darkness, and must come out of all false religious beliefs, and must come out of all of the evil indoctrinations of false houses of worship, and also must leave false houses of worship, and **never return**.

Tithes and Offerings When There is No “Righteous” Leaders - What do you do?

What do you do with your Tithes and Offerings when there are no righteous, ordained leaders, and/or when there are no righteous houses of worship in your area?

Until there is the time when the Great Yehovah Elohim’s Government-Kingdom and Holy Laws, are fully established throughout the Earth, and until there are **“righteous, ordained leaders”** according to the Holy Laws of Commandments and Holy Word of the Great Yehovah Elohim, men and women are **“NOT”** to give of their **“Tithes, nor their Offerings, nor their support”** to any type of **false** leader, nor to **false** prophets, nor to **false** houses of worship, nor to **false** religious authorities, nor to **false** religious communities, **nor to anyone** who is not of the true and Great God - the Great Yehovah Elohim. All types of idol gods, and idol worship, and false religious beliefs will be destroyed from out of this Earth now in this present time. It is **NOT** to the Perfect Will of the Great Yehovah Elohim for any of his holy saints to give of Tithes and Offerings, nor their support, to false religious leaders, nor to false prophets, nor to false houses of worship, nor to false religious individuals, at any time whatsoever. **Do not support** evil in any form at any time.

Men and women are to do indeed Tithe their incomes, and are to Pray over their Tithes and their Offerings. After praying over one’s Tithes and Offerings, a person should lay up their Tithes and Offerings until the time that there are indeed **“righteous, ordained leaders”** according to the Holy Laws and Perfect Will of the Great Yehovah Elohim. Men and women could **buy gold coins and/or silver coins** and place these items in a safe place. The Seventh Millennium has already started, and there is now the collapsing and total destruction of all man-made systems of governments, and man-made laws, and also there is the wasting and destruction of cities and nations in this present time. I fully encourage everyone to do indeed store up their Tithes and Offerings, even in buying gold and silver coins - if possible. After the Great Wrath of Judgment of the Great Yehovah Elohim is over, there will be a **“newness,”** and in that there will be **“righteous, ordained leaders”** according to the Holy Laws and Perfect Will of the Great Yehovah Elohim, and also there will be **“righteous, houses of worship”** of the Great Yehovah Elohim being built, and being perfectly established throughout this Earth. At which time, men and women will be able to fully support the **“righteous, ordained leaders”** of the Great Yehovah Elohim in their (new) geographical location.

Tithes and Offerings, and Charitable Organizations, and Charitable Causes - Can, and should men and women give their Tithes and Offerings to “charitable organizations, and to charitable causes”? It is **NOT** to the Perfect Will of the Great Yehovah Elohim for any of his holy saints to ever give of their Tithes and Offerings to any type of charitable organization, nor to any type of charitable cause. **It is a great evil, and a great sin against the Great Yehovah Elohim to give Tithes and Offerings to any type of charitable agency, or to any type of charitable cause.** The Tithes and the Offerings unto the Great Yehovah Elohim fully and solely belong to the true, righteous, ordained ministers of the Great Yehovah Elohim. The belief and practice of giving of one’s Tithes and Offerings to charitable organizations, and to charitable causes started by warlords and false prophets who hated and who perverted the Holy Laws of the Great Yehovah Elohim, and in that these warlords, false prophets, and false religious authorities set up their very own man-made religious laws, and false houses of worship, and false religious communities in defiance and in rebellion against the Great Yehovah Elohim, and against his Holy Laws of Commandments, Holy Word, Holy Covenant, and Perfect Will. All of these false religious establishments, and their false religious communities, were cursed of the Great Yehovah Elohim, and millions of the people that followed these false religious establishments, and the false religious beliefs, suffered throughout the ages, and so many of them were destroyed throughout the past 2000 years. Also, men and women must know and understand that it is very important to remember to “**NOT**” ever support evil in any area, nor way; and it is very important to remember to “**NOT**” support false religious leaders, nor false prophets, nor false religious sects, groups, and establishments - because they are all in defiance and in rebellion against the true and Great Yehovah Elohim.

Order of Religious Services in the True, Righteous Houses of Worship of the Great Yehovah Elohim - in Ancient Times

Let us examine the topic of whether to stand; or to sit in chairs, or in a seat; or to sit on the floor - during religious services in houses of worship. Did the people in ancient time “stand,” or “sit in seats,” or did they “sit on the floor,” during their religious services?

- 1) **Standing - Adam and Eve** - When the Great Yehovah communicated with Adam and Eve, it seems that they were standing.
- 2) **Standing - Abraham** - When the Great Yehovah communicated with Abraham at various times, it seems that he was standing. Another time, when the Angels came to communicate with Abraham, they were seating and eating.
- 3) **Standing - Hagar** - When the Holy Angel of the Great Yehovah communicated with Hagar, the concubine of Abraham, it seems that she was standing.
- 4) **Standing - Moses and the Israelites at the Red Sea** - When Moses and the Israelites were at the Red Sea, after their deliverance from Egypt, it seems that the people were standing, and there were music, singing, and dancing at the Red Sea.
- 5) **Standing - Moses at Various Times** - At various times when the Great Yehovah Elohim communicated with Moses it seems that he was standing.

- 6) **Standing - At Mt. Sinai** - When the Israelites were at Mt. Sinai, and there was the great manifestation of the Great Yehovah Elohim's Presence before the people of Israel, they were standing.
- 7) **Seating in a Seat - King David** - When King David went to the place of worship to communicate with the Great Yehovah Elohim, it is shown that King David **was sitting** while communicating with the Great Yehovah Elohim.
- 8) **Lying On One's Bed** - It is also shown how that King David talked with the Great Yehovah, even during the night hours, even while he **was lying on his bed** at night.
- 9) **Standing and Kneeling Before the Great Yehovah - King Solomon** - On the important day of the dedication of the First Temple, King Solomon stood, and also he kneeled in Prayers unto the Great Yehovah Elohim. Also, the masses of the people were standing during this religious services.
- 10) **Standing and Kneeling Before the Great Yehovah - Ezra and the People** - During the time that Ezra and people returned to the City of Jerusalem (after their deliverance from the Babylonian captivity) the people gathered together in the **"open street,"** and stood, and kneeled, and also Ezra taught the people. There were long services, and the question must be asked: Did the people sit on the ground for Ezra's Prayers and Teachings, which lasted for six hours? Apparently the people were sitting before they stood up before the Great Yehovah Elohim during this particular time. It must be noted that the services were held **"outdoors"** in the Court/Plaza of the Temple. (Read: Nehemiah 8:1-18)
- 11) In **Nehemiah 9:5** the people were told to **"Stand"** - "... Stand up and bless the Yehovah your Elohim forever and ever: and blessed be your glorious Name, which is exalted above all blessing and praise."
- 12) **Seating on the Floor in Houses of Worship** - Should men and women go to, or even join houses of worship that require them to sit on the floor? There is absolutely no place in the Holy Scriptures that showed that the people had to sit on the floor during any type of religious services at any times. Secondly, the Great Yehovah Elohim never commanded anyone to sit on the floor in his righteous house of worship.

The Establishment of the Government-Kingdom of the Great Yehovah Elohim, and the Establishment of Houses of Worship, and Religious Services throughout this Earth in this Seventh Millennium

The establishment of the Great Yehovah Elohim's system of Government-Kingdom, and Holy Laws of Commandments, Holy Word, and Perfect Will, will be here on this Earth, starting now in this present time. When these things are established, men and women are to have blessed **"friendships and loving-relationships"** with many of the holy saints of the Great Yehovah Elohim, even if the person does not belong to a particular house of worship. The true House of the Great Yehovah has **"no walls, and no restrictions on membership,"** and should be opened and welcome to **"all"** of the saints of the Great

Yehovah who may desire to visit the house of worship. (Read: Isaiah 56:6-8) All of the true, holy saints of the Great Yehovah Elohim are **“spiritually united”** unto the Great Yehovah, and we are all brothers and sisters in him. Men and women should take time and **“visit”** other houses of worship of the Great Yehovah Elohim throughout the year, and not be bound, nor restricted to **“one single”** house of worship of the Great Yehovah Elohim. We should get out, and meet and establish new friendships and loving-relationships with the true saints of the Great Yehovah - throughout this Earth.

When there is the **“re-establishment”** of the righteous leadership of the true, righteous, ordained ministers of the Great Yehovah Elohim, there will be **“the building”** of many righteous, blessed, beautiful, holy, houses of worship unto the Great Yehovah Elohim **“throughout”** this entire Earth.

There are some items that must be addressed in this **“re-establishment”** and the building of houses of worship unto the Great Yehovah Elohim. There should be Order of Service in all houses of worship of the Great Yehovah Elohim. The items that must be addressed are:

1) **The Building of Modern Styled Houses of Worship in this Seventh Millennium** - The building of modern styles of houses of worship are fully acceptable, and fully welcomed unto the Great Yehovah Elohim. It is of great blessings, and spiritual enlightenment, and uplifting of the spirit, soul, mind, body, and life - for the holy saints of the Great Yehovah to come together, and to fully enjoy religious services, and worship, and of righteous teachings and encouragement, and to fully enjoy music, songs, dancing, praises, and thanksgivings in unity unto the Great Yehovah Elohim - in very beautiful built houses of worship. Secondly, it is of great blessings for the holy saints of the Great Yehovah Elohim to come together, and to fully enjoy being with one another.

2) **Gathering of the Holy Saints unto the Great Yehovah Elohim** - It is, and it should always be, of a great blessings, and not a curse, for men, women, children, to come together for gatherings of Holy Convocations unto the Great Yehovah. It should always be of great blessings for the holy saints of the Great Yehovah Elohim to attend services, even on a weekly basis - if so desired.

In Psalm 22:3 it is written: But You are Holy, O
You that **inhabit** the Praises of Israel.”

Important Note: In order for the true, holy saints of the Great Yehovah Elohim to come together, and be able to worship together in true love, and also be able to enjoy fellowship with one another, men and women must develop and always have **“spiritual maturity,”** and learn how to **fully respect one another**. As previously mentioned, in the past, many houses of worship were filled with strife, insults, and with the degrading of others, disrespect for others, rudeness, meddling into the private lives of the people, and even in that many houses of worship were no more than houses of religious tyranny, enslavement, and the exploitation of the people. These evil things cannot be tolerated anymore, and all of these evil things are totally against the Great Yehovah. There is to be **“zero tolerance”** for any of these evil things in this Seventh Millennium, and forevermore. The Great Yehovah Elohim is totally against hatred, bitterness, insults, disrespect, and strife

among his people. Men and women, and even children, must be taught, to fully respect others. Men and women must learn to **“NOT”** meddle, and to not be disrespectful, nor to be rude, nor to have any type of bad behavior against another person, and also must learn to **“NOT”** try to be in control (domineering) of another’s person life. Secondly, all forms of racism, and reverse racism, segregation, discrimination, bigotry, and racial jokes, and insults must be confronted and totally eliminated from all people, especially because the Great Yehovah Elohim is totally against **“all”** of these evil acts of unrighteousness. Open up the Holy Scriptures, and read, see, know and understand how that there were **“religious”** individuals who were **“cursed”** because of doing evil against others, and even in that there were **“religious”** individuals who were cursed because of speaking against others - among religious people. Therefore, Pray and ask the Great Yehovah Elohim, to help you and everyone to fully learn how to always fully respect others, and to **“NOT”** meddle against another, and to **“NOT”** try to control another person’s life here on this Earth, nor to have any type of racism, nor reverse racism in one’s life, nor to do any type of evil deeds against any of the holy saints. Pray and ask the Great Yehovah Elohim to help you and everyone to always have perfect **“spiritual development”** in every area, and to learn to love and help your fellow holy saints, and sisters and brothers in the Great Yehovah Elohim, and learn to always pray for one another of the true, holy saints of the Great Yehovah Elohim.

If there is continual strife, hatred, disrespect, tension, meddling, and in wanting to control and manipulate others, the person is to **“depart”** from the bad, evil relationships, regardless who it may be. Remember how that Abraham and Lot **“separated”** even though they both were religious, and even though they were blood-related relatives. It is to the Perfect Will of the Great Yehovah Elohim for there to always be **“PEACE”** among all of his holy saints. If men and women do not know how to respect others, and if they do not know how to truly love others, and if they do not know how to **“NOT”** be meddling, and in that they want to control and manipulate others, or if there is hatred, racism, reverse racism, insults, disrespect, tension, or any type of evil relations, then men and women are to truly **“depart”** peacefully from the bad, evil relationships, regardless who it may be that is causing the confusion, strife, hatred, etc. Sadly to say, there are religious men and women on this Earth that need plenty of **“spiritual development”** before they can have good social relationships with others, regardless how religious these men and women may try to be. Secondly, it is so very important for everyone to always know how to fully respect others, and to fully respect the privacy of others. Even in regards to religious matters, men and women must learn to allow others to grow in the understanding of the Holy Laws and Holy Word of the Great Yehovah Elohim, and do not try to be a religious dictator over others at any time, nor concerning any issue.

3) **Men and Women, and Children Being Together in the Services of the Houses of Worship unto the Great Yehovah Elohim** - There should **“NEVER”** be the separation of the family, and no separation of men and women, and no separation of the children from their parents in the religious services, nor in any righteous house of worship of the true and Great God - the Great Yehovah Elohim. At Mt. Sinai, when Moses and the Israelites stood before the mountain, and when the Great Yehovah Elohim appeared before the masses of the people, the **“men, women and children were together.”** There was no separation of the family for this very important event. In ancient times, and all throughout the Holy Scriptures, there was absolutely **“no separation”** of the family when the people

gathered together at the Tabernacle of Worship, and also there was absolutely “no separation” of the family when the people gathered together at the First Temple, nor at the Second Temple in the City of Jerusalem. Families should “always” be together, and should always be taught as a group. How long will the services be? Can children attend regular schools for so many hours per day? Take note and see how that children and teenagers are required to attend regular schools, and in that they are in class for three or more hours in the morning before any type of lunch, and also in that they have a short recess for only about 15 minutes or one-half hour. After lunch, the children and teenagers have to return to classes for another two or three hours, or more. If children, even small children, and teenagers can attend school from first grade to the 12th grade for many hours per day, they can definitely attend religious services with their parents, and sit next to their parents in houses of worship of the Great Yehovah Elohim. Again, children and teenagers should not be separated from their parent at any time, and there is absolutely no need for someone else be teaching your children about religion other than the parents, and other than the righteous, ordained ministers of the Great Yehovah Elohim. In essence, there is absolutely no need for special services for children and teenagers because they can always attend the regular services.

4) Should Babies Be in the Religious Services? - Again, families should be together, and should be taught as a group, including in that babies and small children should be in the religious services in the houses of worship. At Mt. Sinai the families were together, even with their children and babies. Parents with their children and babies should be, and are to be, fully welcomed into the religious services of the houses of worship of the Great Yehovah Elohim. Secondly, small cribs can be brought into the houses of worship for the parents to place their babies in. If a baby needs attention, or is crying, one of the parents should quietly leave service with their baby or small child, and go upstairs or go to some area of the house of worship to attend to the needs of their baby or small child. There should be a separate “lounge area” in all houses of worship, and there should be excellent bathrooms, and a kitchen area, and also there should be a dining area that are opened to the congregation. Men, women and children can go to these various areas. Also, parents with babies and children can go to these various areas in order to take care of the needs of their children, and also for a short break - if so desired.

5) Standing While There Are Congregational Prayers unto the Great Yehovah - The congregation should “stand” while there are congregational Prayers unto the Great Yehovah Elohim.

6) Standing While Repeating of the Ten Commandments unto the Great Yehovah Elohim - The congregation should “stand” while there is congregational repeating of the Holy Ten Commandments unto the Great Yehovah Elohim. The Israelites stood at Mt. Sinai when the Great Yehovah Elohim appeared to them and gave them his Holy Laws of Commandments. All throughout the Holy Scriptures the people were standing when there was the manifestation of the appearance and glory of the Great Yehovah Elohim.

7) Seats in the House of Worship, and Sitting in Seats while being Taught - In modern, newly built, houses of worship of the Great Yehovah Elohim in this Seventh Millennium, it will be of great blessings to have seats for the people to be able to sit in, and to be able to open up their Bible, and read along with the minister. Also, to be able to

“write” and take notes are of great blessings. Yes, there is absolutely “NO” Holy Scripture that forbid the writing on the Shabbat Day, nor on any of the Holy Feast Days. To be comfortably seated, and to have one’s Bible, and a pen or pencil, and also to have paper (in order to take notes), and also to be able to hear the teachings of the Holy Scriptures, are of great blessings to the holy saints of the Great Yehovah Elohim. Throughout the religious services there will be times for sitting, and times for standing, and times for singing of songs of praises unto the Great Yehovah Elohim, and also for dancing before the Great Yehovah Elohim - in his holy, righteous houses of worship throughout this entire Earth.

8) **Food Being Serviced, and Enjoyed in the Modern Houses of Worship** - It is great to come together and enjoy meals together, especially of the Shabbat Day, and on the Feast Days. Also, there is absolutely no sin in serving food on the Shabbat Day, yet on the Shabbat Days to serve large number of people is **WORK**. Working even in the houses of worship should be totally avoided on the Shabbat Days. Trying to serve many people, and even many hundreds of people is indeed **WORK**. It is very important to remember that the **Shabbat Day is a Day of REST**. If there is the serving of food in the houses of worship on the Shabbat Day, there should be enough food for “everyone,” and it should be without any type of cost to anyone. If there is not enough food for everyone, and without cost, then let everyone “go home” for their Shabbat Day afternoon lunch. Men and women can have blessed Shabbat Day lunch - at home, even with guest(s) that they have invited, and/or do invite. The houses of worship of the Great Yehovah Elohim should never be in that only certain individuals can partake of food on the Shabbat Day in the houses of worship.

9) **Great Feasting and Rejoicing Should Be on the Feast Days** - On the “intermediate days” of the Three Feasts, men and women, and families can, and should come together, and bring all sorts of food and drinks; and thereby, have plenty of food and drinks, along with having music, and singing of songs, dancing, and of great joy, rejoicing, honor, praises and thanksgivings unto the Great Yehovah Elohim - on these “intermediate days” of the Feasts - in their houses of worship, and even in their courtyards, and also even in their streets, or even in their homes. How great is it for the holy saints of the Great Yehovah Elohim to come together and have “Gatherings of Holy Convocations” unto the Great Yehovah Elohim, and to fully enjoy the eating of food, and of feasting, as well as of singing, playing of musical instruments, and rejoicing unto the Great Yehovah Elohim? It is very great, and of great blessings for everyone to be enjoying these great things unto the Great Yehovah Elohim.

10) **No Selling of Products in the Houses of Worship** - There is to be absolutely “No Selling” of any type of food, nor of any type of commercial products, in the houses of worship of the Great Yehovah Elohim. Secondly, Bibles should be sold in “stores” - and not in any house of worship.
